Volunteer Commitment

Thank you for showing interest in volunteering at the library. We're always happy to have help with any of our many events and activities for kids/teens/adults.

Some things to remember are to dress appropriately and to always be respectful to the staff and library patrons. Also, please don't invite your friends to hang out during your volunteer time as it will distract you from your work. If something comes up please call the library at **361-362-4901** to let us know you will not be coming in, so another volunteer can be scheduled in your place. Please no texting, calling, video chat etc. while working unless there is an emergency.

If you do not call in, or if any other rules are broken, a warning will be given. If this behavior persists, you will not be invited back.

Please sign and date below if you have read and understand the Volunteer Commitment.
