Seven elected representatives from the Beeville Independent School District compose Beeville's School Board. Each member is individually elected to a three year term. The duties of the member of the board vary from: Power to appoint someone to fill an empty seat in the board and power to perform specific duties which are required of it by the laws of Texas and the United States Government.

Student Advisory

Standing: Charles Hodge and Danny Hemphill. Seated: Debby Guerra, Carl Pivonka, and Jovita San Miguel. Not Pictured: James Goodman

The STUDENT ADVISORY COMMITTEE serves to increase understanding and cooperation among ethnic groups at A. C. Jones.

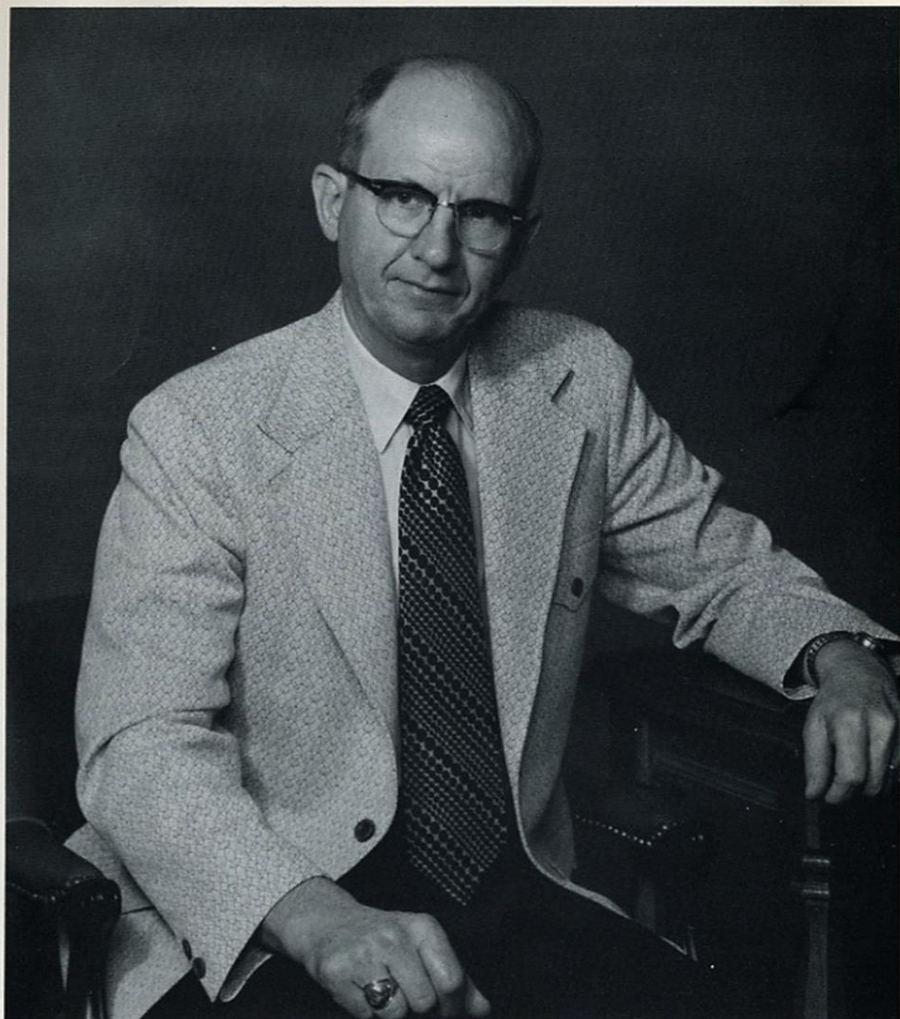

The outstanding goal is to solve any problems that might arise.

Superintendent

Mr. Roberts came to Beeville in July of 1956 to serve as the Superintendent of Schools. His background included classroom teaching, coaching, and administration as assistant principal, principal and superintendent. He received his bachelor of science degree and master's degree in education and government from West Texas State University in Canyon. In order to stay current in the changing scene of school administration Mr. Roberts attended many conferences arranged especially for school administrators by the University of Texas at Austin and by Texas A & M University. He is a life member of Texas State Teachers Association and a member of the American Association of School Administrators, National Education Association and Texas Association of School Administrators. On February 1, 1973, he accepted the challenge of working with the Texas State Teachers Association as Assistant Executive Secretary. The effects of his efforts in education can be seen in an improved educational program in the local schools and his interests in professional organizations have been beneficial to the educational program across the state.

Principal

Mid-semester 1973 brought to Lester McCoy, principal of A. C. Jones, another major responsibility, interim Superintendent. Lester McCoy has completed his 17th year as principal of A. C. Jones.

Mr. McCoy attended Texas Christian University where he received in 1946 his Bachelor of Arts degree in English, and a Master's degree in English in 1948.

His educational career began in Harrold Texas where he taught English for four years. At the end of his fourth year he traveled to Panhandle, Texas where he taught English 2 years and served as principal for 3 years. Beeville, Texas was his next destination where he now serves as principal and interim superintendent.
