The Colors Change  
Like "The Times of Our Lives"

Our school  
is like  
a tree

And we  
the  
students

are  
but  
leaves

on that  
tree.

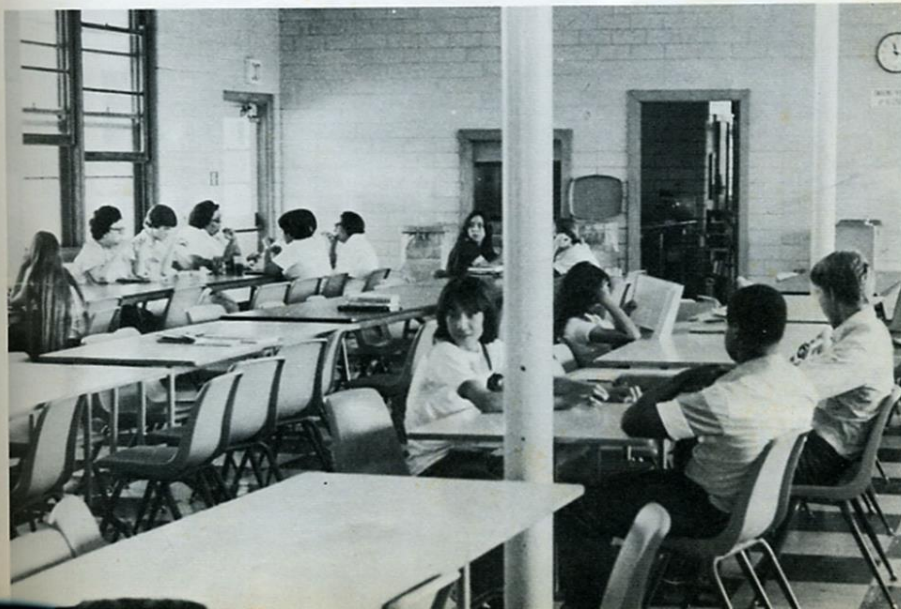

**Just as a  
tree  
provides  
nourishment**

for the  
leaves  
to grow,

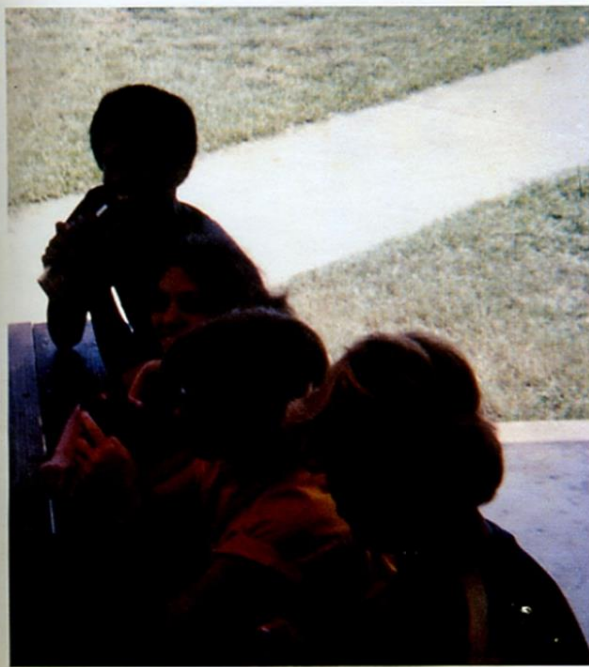

Our  
teachers  
provide  
us

the  
knowledge  
we need  
to grow  
in life.

As the  
winds of  
time blow  
on

The leaves  
change into  
things of  
beauty

and  
pass  
on.

combing  
My hair  
As usual

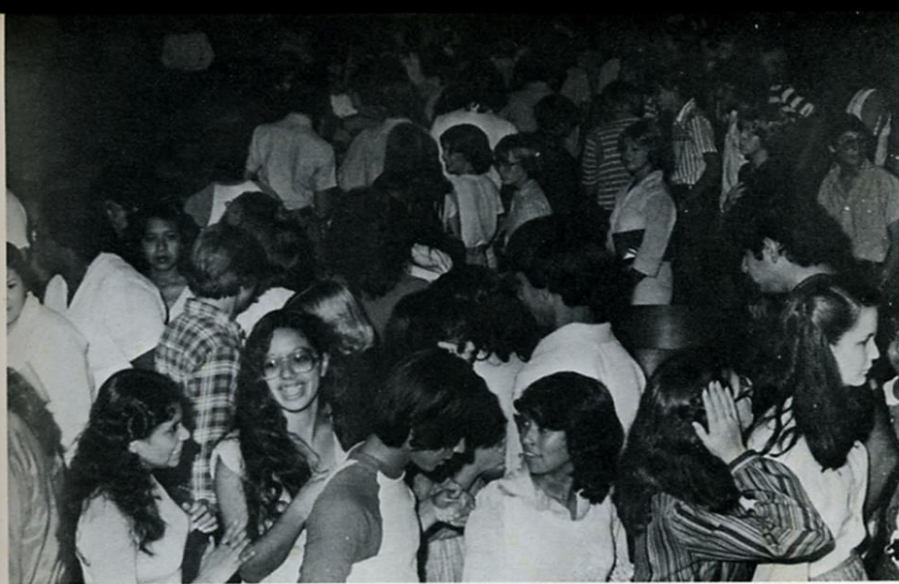

Like the  
leaves  
we're  
ever  
changing  
and  
growing;

**And having  
reached  
our growth**

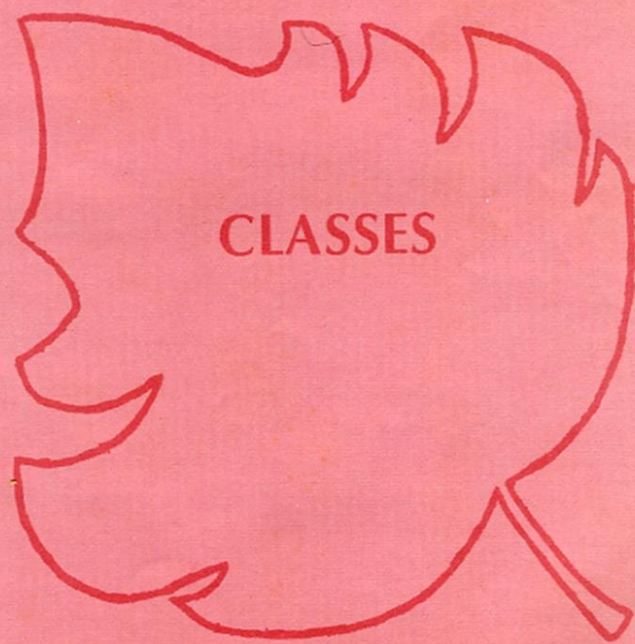

**We pass on  
to make  
room for  
others**

**Taking with  
us The  
times of  
Our Lives.**

BEHAVIOR: BEHAVIOR, Improvement  
1111 BEHAVIOR  
BEEVILLE, TEXAS 78109

To: The Students of R. C. Jones High School  
From: Gerald Boyer, Principal  
Subject: MEMORIES

Bob Hope, one of America's finest entertainers, has always ended his television productions by saying "Thanks for the Memories." It is often our memories that make life so great for each of us.

I hope this year's annual will be something you will cherish for the rest of your life. Eventually, you will see your annual as a collage of pleasant memories, of friends, and of good times. In essence, these recollections are probably the "best times of your life." Never again will you have so many friends with whom you can share the good and the bad experiences of growing to adulthood.

In later years, your high school annual will offer a nostalgic glance into the past—friends, accomplishments, sports heroes, class favorites, "most likely to succeed," and "most handsome." Above all, your annual will recall some of the best memories of your life. Take this annual and keep it, for if you lose it, memories fade and sometimes are lost. Your annual is a history of a portion of your life. You will look at it and say, "Thanks for the Memories."

# The Big Orange Powerhouse

A final tally of five wins and five losses gained the second place slot in District 15-3A football for the 1979 Varsity Trojans. After three unsuccessful non-district games the Trojans battled 3-A rival Calallen to a 16-7 victory. In the Sinton game the Trojans came back fighting to a 21-13 victory after Sinton dominated the entire first half. After a loss to Gregory-Portland 36-14, the Trojans defeated the Tuloso-Midway Warriors 27-14. The fired-up Trojans traveled to Rockport leaving the Pirates with a final score of 30-12. The Trojans were shut out 21-0 by the West Oso Bears but the Trojans roared back the following week to beat Flour Bluff 19-13 to end the season victorious.

The Special Olympics has taught us all something very important. In an age of super-professionalism and commercialism in athletics the Special Olympics reminds us of the true meaning of sportsmanly character, courage and competition.

At the Austin Olympics out of 4000 students who attended the 4 students from Beeville took home more medals than any other school. 13 gold, 8 silver, and 8 bronze.

## Brilliant Year

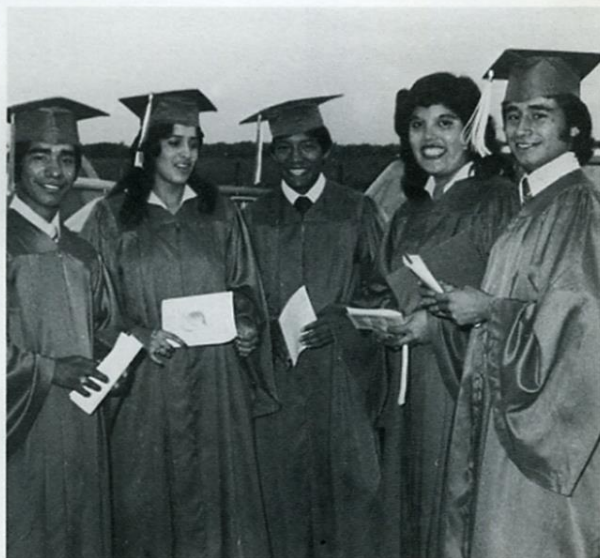

The anxious graduates.

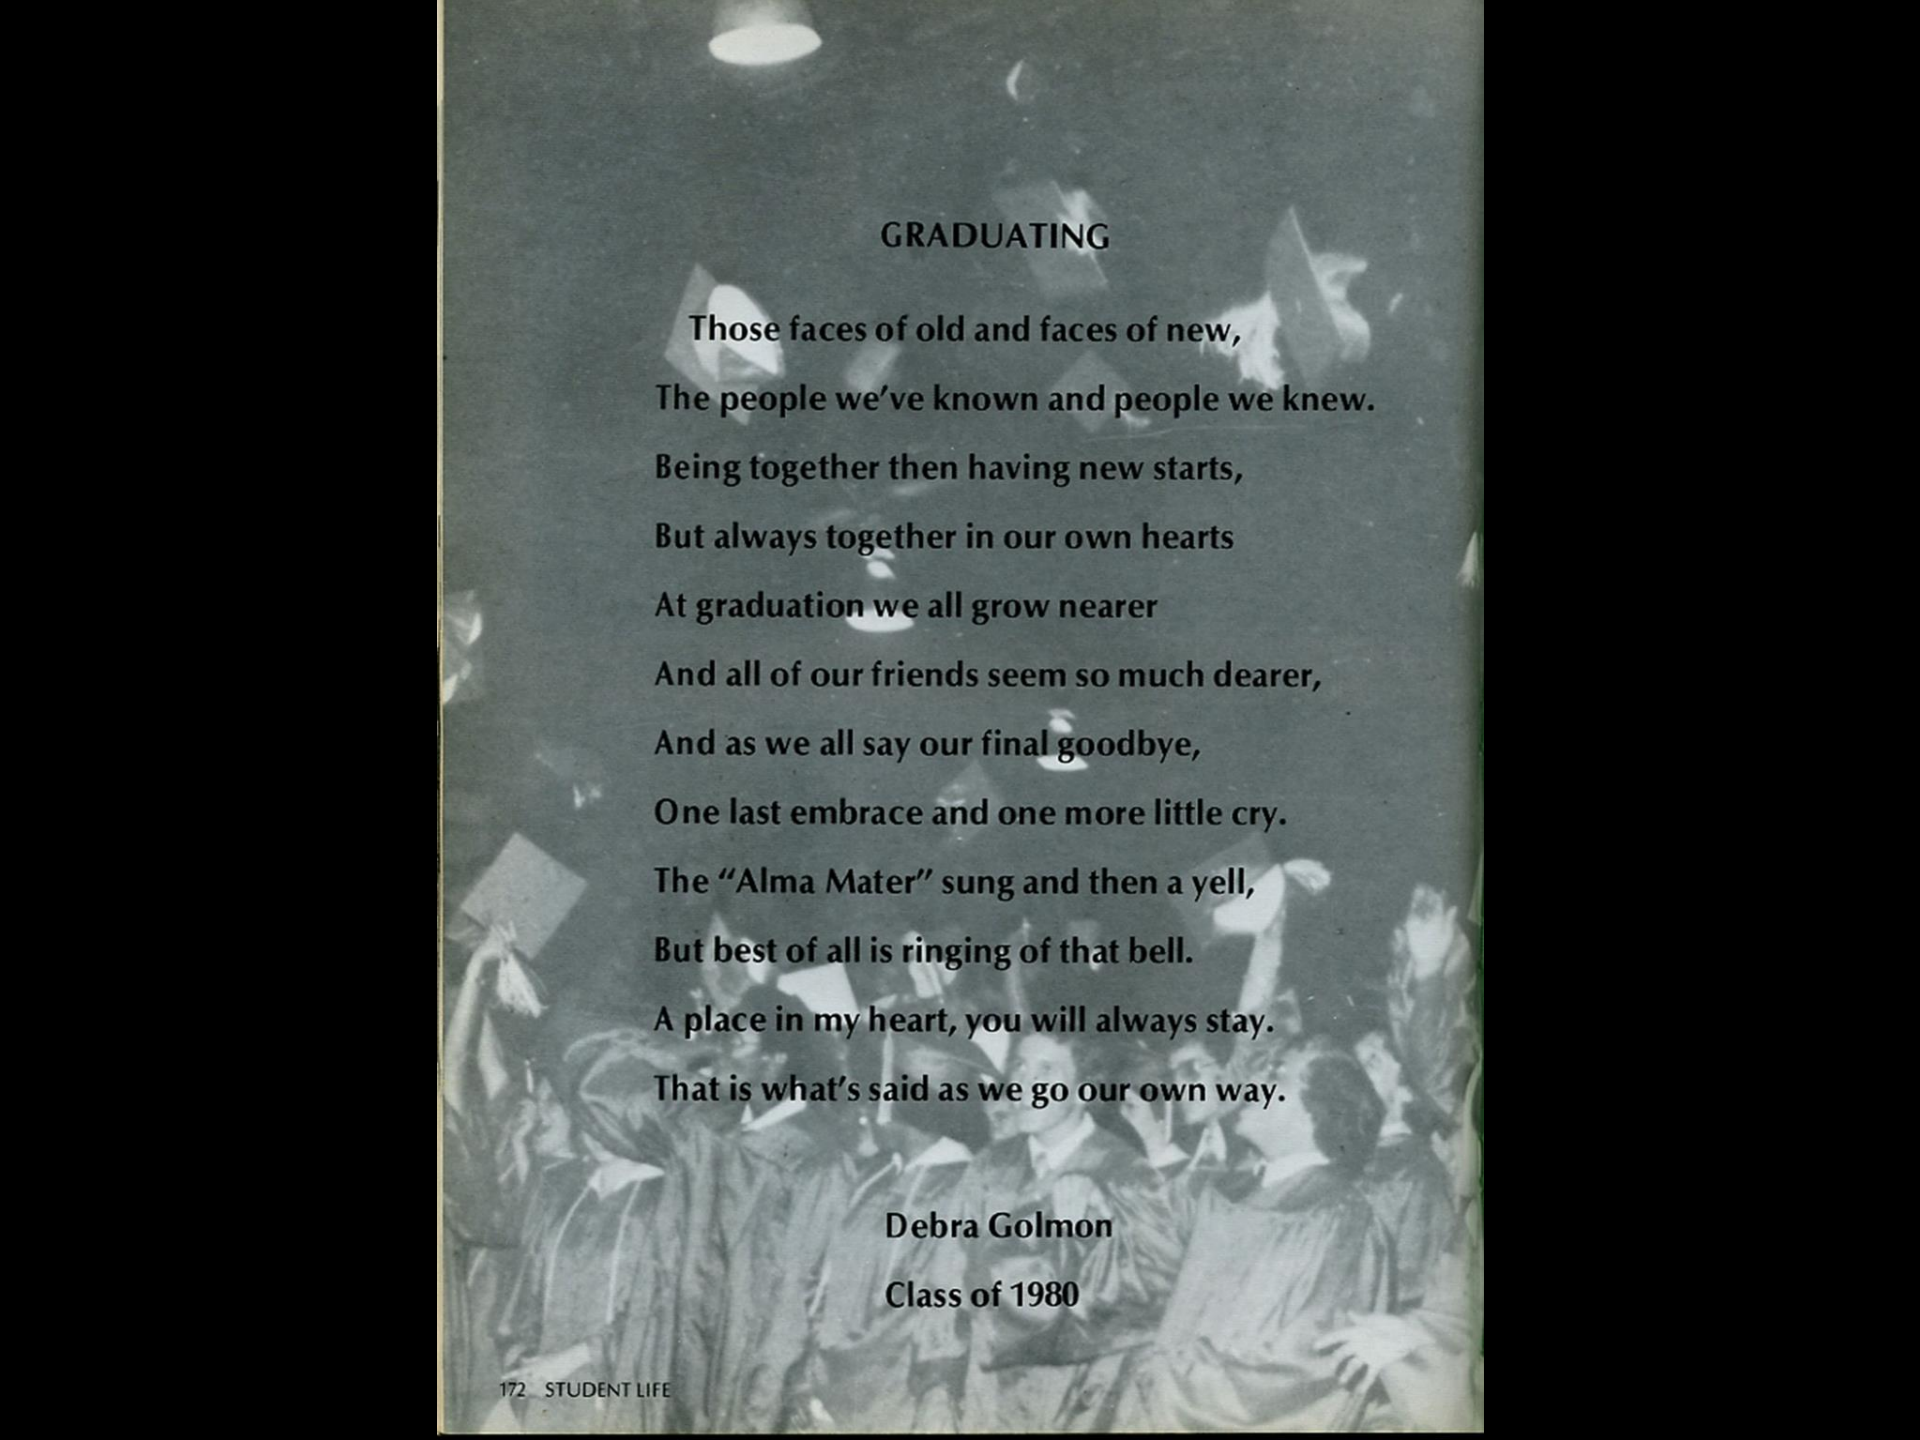

Freedom at last!!

A time of joy.

Happiness is ..... GRADUATION!!!!!!!

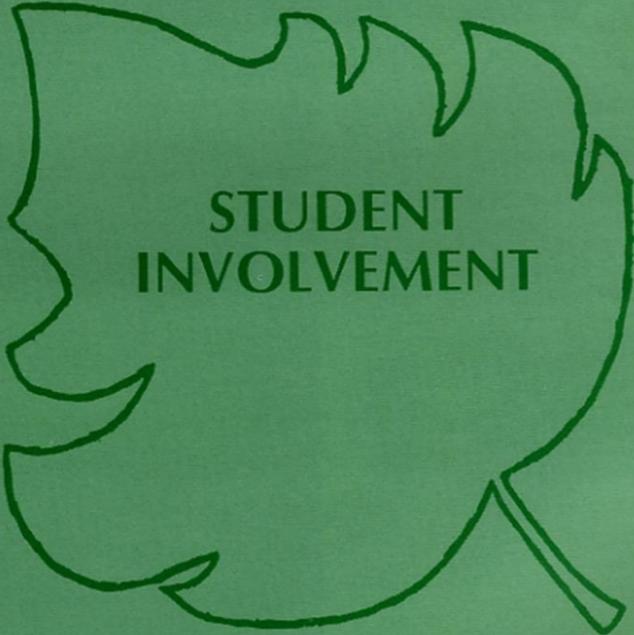

## GRADUATING

Those faces of old and faces of new,  
The people we've known and people we knew.  
Being together then having new starts,  
But always together in our own hearts  
At graduation we all grow nearer  
And all of our friends seem so much dearer,  
And as we all say our final goodbye,  
One last embrace and one more little cry.  
The "Alma Mater" sung and then a yell,  
But best of all is ringing of that bell.  
A place in my heart, you will always stay.  
That is what's said as we go our own way.

## Staff Creates Action-Packed Yearbook

Being a section editor was hard work for Marianne Newlin.

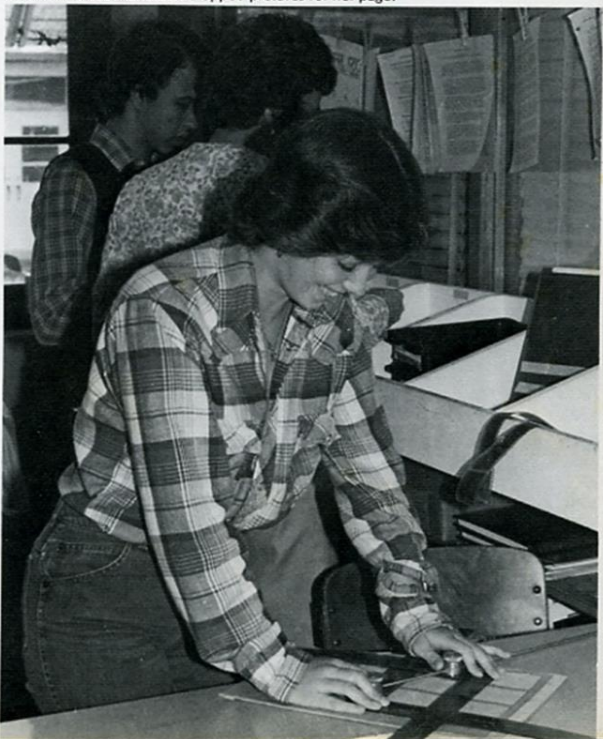

Take a little out of the way room, add pictures, layout sheets, typewriters, and pica rulers—plus eight hard-working students fourth period. What do you have? The 1980 TROJAN staff!

Each staff member is responsible for writing copy, proportioning pictures, arranging layouts, and racking his brain to think up humorous cutlines.

Without patient determination, efficiency, and imagination, staff members would never have been able to publish this rewarding proof of their labors—the TROJAN.

TeResa Aberle checked off completed pages.

The "S" Club was originated to serve the school and community and that's exactly what these girls did. This year the girls visited the service sororities at Southwest Texas State in San Marcus.

1979-80 was probably the most hectic year for the TROJAN newspaper staff. Laying out pages and writing stories and featurettes seemed an endless task. Printing a newspaper is a demanding job and members must be responsible students. This year's staff were a hard-working group that totaled fourteen people. Editor was Dana Higgins and co-editors were Jennifer Davis and Mitzie Bowie. With a combined effort, the staff forgot its differences and produced a fantastic newspaper.

In Memory Of

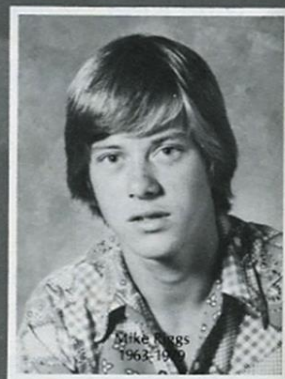

The loss of any classmate  
Always leaves an empty void,  
And this year we lost two of them  
Mike Riggs and Jim Boyd.

We must stop and dwell a moment  
On the absence of these two,  
For each of us who knew them  
Come memories anew.

And tho' it's hard to find the words  
To express the thoughts we share,  
We know Mike and Jim will always  
Know how much we care.

And even tho' our lives go on  
A fact we can't avoid,  
We'll share a fleeting memory  
Of Mike Riggs and Jim Boyd.
