In Loving Memory of Jacob Anthony Garza

February 10, 1975

December 19, 1992

Jacob's Prayer

Time has come and time has gone,
And I have left seeking yet another dawn.
But don't cry for me, I am in another place,
So stay my friend and finish the race.

Climb the highest mountain, reach for a star.
Know through your memories I won't be that far.
Hold your torch high to light your every path,
And every sunrise listen as the birds sing during their morning bath.

Make friends with those who will listen, and truly care,
For those are the ones you can count on to always be there.
Tell those you love how you feel each and every day;
Life is uncertain and in a second can be taken away.

So if I had one last thing to tell you, what would it be?
Don't be sad, and do not cry for me.
And when you feel lonely, just close your eyes and wait,
I will be there before you know it, standing in your memory gate.

"Newspaper 92-93"

The newspaper staff reached many goals this year, goals that they never dreamed of accomplishing. The published newspaper in the fall was really good. But with the retirement of Mr. Ramsey they thought things wouldn't be the same, until the new teacher came in, Janay Medley. She made things better then ever, and put everything in tip top shape. All deadlines were met, stories were creative and all well written. The staff all worked together. There first newspaper received many compliments from the faculty. Here's a brief example to show how pleased they were. "Dear Ms. Medley and Trojan Staff. I just finished reading your first edition of the Trojan. I want to compliment you on an excellent job, it contained a wide variety of topics." The newspaper writers all have great talent in writing stories. They are only losing Kelly Metz and Leti Martinez who are both seniors, which is a big loss. But they should have a great year next year, with your support. Keep reading The Trojan!

Members of the newspaper staff are Rey Teran, Keri Meyer, Morri Martinez, Editor: Leti Martinez, Thia Wann, Kelly Metz, and Darlena McCorvey.

Looks like best friends to me. Morri and Keri stopped working on their stories to take a quick pic.

"You don't understand Leti, I'm having a bad hair day as it is. That's why I'm late on my deadline says Morri Martinez."

Open your eyes Darlena, it's only a picture
.....

The Trojan

Leti Martinez and Kelly Metz who are both seniors and won't be on the staff next year. But don't worry guys, they won't miss you

"Look Leti, I told you it errased. I bet you it was one of those yearbook staffers. They are always messing with these computers says Darlana McCorvey."

"Hurry up and just take the picture says Kerri Meyers." She had to pose 10,000 times for the newspaper candid.

THE BANDIT STAFFERS STRIKE AGAIN

The 1992-93 school year saw our staff go through numerous changes. Late in the first semester, our teacher, Mr. Allan Ramsey retired after thirty-five years of teaching. (fortunately, he could only handle a year and a half with our staff.) With the retirement of Mr. Ramsey, Miss Janay Medley blew in like a hurricane and breathed new air into our staff. She taught us a new way of getting things done, and although it was hard to get used to, we all had the same goal in mind- to produce the best yearbook possible for our fellow students. We would like to thank our staff for their efforts in doing so.

Cecilia Alvarado- Cecil da Weasal is a Sr. She does a good job with her pages and keeps us laughing with her goofy remarks. Sometimes we wonder if she is a natural blonde. At least we know she learns something in this class- we always catch her doing her English work in here.

Tamara Banda- "Elmo" is also a Sr.—but her brain waves equal that of a four year old — that's why we like her, she keeps us young. Tamara is a whiz with a camera and has a vivid imagination.

Robert Byers- Robert is the class pest, along with his buddies Adam and Durst. Robert was pretty fun, but he always seemed to put his two cents in where it was not always wanted. Robert was not one who enjoyed doing page lay-outs either. Every once in a while, though, he could be nice— Like at Christmas—NOT.

Sandy Carabajal- Sandman has been with us off and on throughout the year. When Sandy wasn't here, our staff had a little time for peace and love and all that good stuff. When she decided to come back, she was a holy-terror. Sandman did her best when it came to her getting her job done.

Brandie Contreras- "B.C." is a Sophomore. She is the rebel of the class. She will let you know exactly what she thinks whether you like it or not. If she doesn't want to do something, it's better for you to get it done on your own. She is pretty cool, and has been quite an asset to our class.

Clarissa De Russe- Clarissa is a Jr. We don't know much about her. We do know she showed up for the first day of school with braces and long hair. The next time we saw her, she didn't have braces anymore. She was the one who did most of our errands.

Daniel Durst- Daniel is a Jr. What can we say about Daniel? (Something that won't get us into trouble.) Daniel is a nice guy. (Sure he is) Daniel is a hard worker. (Why lie?) Daniel's last name is Durst. (That says it all.)

Dorothy Hyturria- "Dorky" or "Tumbleweed" is a SR. She is the one with the ATT-TI-TUDE. She is also our cover girl- nominated because she does her make-up instead of her pages. How does the saying go, if she don't look good, we don't look good.

Adam Moreno- "Stud boat" is a Jr. Adam is the spoilt child of the class. (In other words, he usually gets his way.) He begged for weeks to get the Cheerleader pages-literally begged like a puppy begs for scraps. Anyway, the pages Adam got, he got done and were actually pretty good.

Belinda Ramirez- "Too Short" is a Sr. and is the co- editor. Bel is one of the most cheerful staffers around. It's no wonder she made it for yearbook Sweetheart- plus the fact she threatened to kill us all if she didn't.

Jennifer Sanchez- "AT&T" is also a Sr. We nicknamed Jen AT&T a few years ago because she is always on the phone with her love- Roger. She likes to keep the class in line, though and always seems to get her work done in between calls.

Brandee Saylor- Saylor is a Sophomore. She is the candy girl of the class- every day she has some kind of lollipop- usually those thumb ring ones. She doesn't like to work too much either, but will when you threaten her with her life.

Melissa Stevens- "Working Girl" is a Sophomore. She works hard and gets her job done ahead of time. She is a real nice person and does a great job for the staff- even though she's always dreaming about the guys she meets at H-E-B.

Amy Stevenson- "The Blonde" Amy is a Jr. (We have to say something nice about everyone.) Amy is- uh- well— Amy has nice hair. (Yeah, that's it. Shouldn't we say something else?) Amy has nice teeth. (Yeah, That should do). No, really, Amy does her job wonderfully- with what she has. (HA HA HA)

Brandy Van Dalsen- "Queen of the Universe" Brandy is a Sr. She is the editor. We worship her feet. B.V.D. is our idol. We love our B.V.D. Yah Right. We all know the real Brandy, the shy, blond . . . PAIN IN THE BOODIE. No but seriously, (HA,HA), she is really a great person and we all have become attached to this crazy, sick child. But B.V.D. Knows that she is our funniest (looking) friend. And we will always her sense of humor. HUMOR? Yes, humor-as sick as it may be.

Janay Medley- Janay is our teacher. She's pretty cool to have around. Even though our staff gave her some pretty hard times, she was fun to work with. There were times when she would join in on some of the games we would play or jokes we would get going. She really isn't much more than a kid in a grown-ups world and all it took was our staff to bring that out in her. WE would like to thank her.

This years J.V. football team had a 3-7 season but no one gave up. "Each week every player came to the game and played hard. Not once did they not play, that was evident by the closeness in the scores," said coach Tom Carrera.

Buck Nolf also said a few lines on how he thought the team did this year.

He said they did good, they had better plays and had more experience, and next year will be a better year.

This year was different for most football players strictly because of the new head coach. That didn't bother Geno Garza any, and he thought head coach Mike Royce made a change in the team. He said he was stricter, was more focused on football, he had more discipline and always encouraged them to win.

The question was, What do you like most about football? "WINNING", because last year they didn't win a game. "This year they played every game and showed they could win," said Carlos Valdez.

It's time to Chit-Chat. J.V. football players discuss their next play.
