FOREWORD

After an absence of five years, the Trojan again appears as the official recorder of student activities in Beeville High. The purpose of the 1936 staff has been to mirror a true essence of the life of the student body, and to create a pictorial record that revives memories of flitting days spent in this fraternity of friendship.

It is yours to condemn or praise.
DEDICATION

In acknowledgment of the long years of devoted service which he has rendered to our High School, in recognition of his scholarly attainment and in appreciation of the kindly spirit which he has instilled in so many students of Beeville High, this, the second Trojan is dedicated to...

WILLIAM E. MADERA

First in scholarly attribute, first in compassionate understanding, and first in the hearts of his pupils.
MR. ROBERT MARSHALL
Principal

This has been a memorable year in the life of Beckville High School. A cooperative student body and well-trained teachers have contributed toward a successful school year.

Senior of 1936, you have been a very pleasant group with which to work. Your industry and cooperation will serve as examples for those who are to follow you. May you always remember that the basis of a successful life is character.

Sincerely,
Robert Marshall
To the Seniors of '36—

You have, we trust, enjoyed many happy days in your career as a student, but the happiest days of your life lie not as you perhaps have been told, behind you, but always before you. Life is not an empty dream—life is real and earnest. Play the game with this in mind, and I'm sure that you will all find happiness.

Sincerely,
S. P. Doughty

FUTURE FARMER CHAPTER

September 5th was reorganization night for the Future Farmer Chapter. Twenty-three "Green Hands" were initiated, and a total of ninety-four boys registered in the chapter.

The following officers were installed: Julian Rager, Pres; Carl Olmepper, Vice-Pres.; Charles Straub, Secy; Leroy Buerker, Reporter; Forrest Geer, Treasurer; Edward Connad, Parliamentarian; Frithof Beck, Watchdog; and B. C. Davis, Adviser.

The year's program of work was set up and approved by the chapter's executive committee. This committee has had charge of participation by the members in contests, shows, etc., and is making plans for a number of the chapter to attend the State Convention, at Stephenville, Texas, July 20, to 25.

The following chapter objectives were listed in September, and most of them have been accomplished.

LOCAL CHAPTER OBJECTIVES FOR BEEVILLE CHAPTER

1. To hold three live stock shows.
2. To hold a poultry show.
3. To prepare an exhibit, Educational Booth.
4. Member to compete in State Judging Contest.

"Los Bandidos"

The purpose of "Los Bandidos" is to motivate, to stimulate, to interest, and to enliven, in short, to be an aid in the learning of Spanish. The club has been a pleasurable activity, both physically and mentally devoted to the interests of Spanish and Spanish-speaking countries.

The following officers were elected by the members of the club: Buster Medley, President; La Nelle Treffon, Vice-President; Lorene Darby, Secretary; Margaret Waller, Treasurer; and Roberta Walden, Reporter.

Many interesting programs, plays, and outdoor meetings have been enjoyed by the members of the club. When outdoor meetings were held, Spanish songs were sung accompanied with a guitar. Stories were told in Spanish, and refreshments were served in Spanish style. This club was sponsored by Miss Freda Juenger, Spanish Teacher.

Boys' Home Economics Club

For the first time in the history of our school, a boys' Home Economics club was organized. Membership was limited to the boys of the present class and to those of last year's class still in high school. There were sixteen boys in the club who elected the following officers and sponsors: Charles Hilliker, President; Carl Culpepper, Vice-President; Philip Bissig, Secretary-Treasurer; Mrs. Justin Bailey, Sponsor; and Assistant Coach Rambe, Co-sponsor.

Mrs. Robert Marshall was the club's song leader, and taught the members old, as well as popular songs.

One of the outstanding meetings was the one at which Mr. Neal Butler, Cashier of the Commercial National Bank, gave an address on savings, its benefits, and results. Another was the waffle supper, to which the boys invited the male members of the faculty of the Beeville School System.

Girl's Home Economics Club

The Junior Homemakers Club was organized November 14, 1935 with a membership of 90. The meetings are held at the Home Economics Cottage every other Tuesday evening.

The Club strives to make its programs both interesting and worthwhile. Aside from the educational programs, the club has made enough money to send six Home Economics students to the State Rally at San Angelo. This was done by regular dues, a Chamber of Commerce Banquet and a doughnut sale.

The club is using for the first time this year the point system. The girls earn points by doing good school work and also by engaging in outside activities.

"Snitty" was a good center, good enough to make the All District Football Team.

"Sax", the big half-back, fell on the ball and knocked the wind out of himself. Was his face red?

Thomas Smith Capt.

Francis Mattingly

Joe got kicked in the head in the Refugio game. He was as blind as a bat for the rest of the game.

"Buster" made a touchdown in the Victoria game on flying legs. Was he ever surprised?

Half-back, Harold Pursley made the All-District team, although he did practice hurdling at Kennedy.
Ben Biela spent so much time studying that he did not have time for football.

Dixon had two little chunks of dynamite as guards, "Tuffy" Chandler and Leland Knight. "Tuffy" played in the enemy's territory. Leland was a back-up too—the further to back the better. He wanted plenty of room for a running start.

Little "Toots" Marshall stayed in the Victoria game one minute. He made a spectacular tackle in the first play and broke his arm.

In the Victoria game A. W. Mussett got in a man's way.

Truett Matthews ran seventy yards in the Edna game, but did not catch the man.

Gerald Nutt participated in a love scene at Kennedy with Earl Glassie.

Billy Boothe was a tackle. He was big enough—he could fill any position on the team.

Guard, Carl Gulpepper, got a reserve sweater; he's reserving his strength for studying.

Football heroes or movie stars? Well, you'd never know by these pictures. But the Clark Gable-ish looking gentleman on the left is none other than quarterback Sherman Tally, valuable man throughout the season. In the Yorktown game Tally ran 50 yards for a goal as if he thought a ghost were after him.

Caryn Arnold, the gentleman on the right, who looks like an arrow collar ad, was too gagey for the photographer to catch suited up, but he was up-and-coming enough to letter this season though only a sophomore. Caryn made good as center in the Taft game.

The boy's basketball team had a fairly successful season. They won 16 games and lost 6. They came out second in the district race, and placed one man on the first all-district team, and one on the second team. Buster Medley made the first team, and Gene Gratcher made the second. Medley was elected captain for the 1935-36 season, and Gratcher was elected captain for the 1936-37 season.

The doubles stars, TALLY and FIRSLEY, held up the record of D. D. 1. in the county tournament against all opposition. In the district they were slightly off form and only rated third.

"HATT" MATTHEWSON, who won the county championship after a hard fight, placed fourth in the district. He, too, was slightly off form and could not stand up under the terrific driving of his opponent.

In spite of their defeat at the district meet, FIRSLEY and HATT" MATTHEWSON will be excellent material for next year's team.

The doubles team, BEALIE and MURCH, were very strong, but not strong enough to win in the county tournaments. However, they came out with second honors. Both were good and should prove to be a winning team next year.

MARGARET LEE RAY did not fare as well either. She won second place in the county tournament.
Pursley was the only member of the Deerville High track team who placed in the District meet. He ran second in the 100 yd. dash and in the 220 yd. dash. In the preliminaries of the 100 yd. dash, he tied Charlie Harris' record of 10.1 seconds. He broke the District record when he threw the discus 100 feet, 11 inches. Matthews entered the mile run and came in fifth. Ramirez entered the 220 low hurdles, but he failed to qualify.
