To a little girl of Sanville, I wish on you all of my luck on you. All of what I have is luck. I'll give you some of that.

May you always have success and good fortune.

Best to luck to you.

Hard times, I think mine.

Wish you well. Let there be love.

Now switch.

Keep it, pet deco.

Memories of 1951 - 1952
Program
A.C. Jones High
Beeville, Texas

This is not intended to be the complete program of our high school, but we hope you will find many of the highlights you will want to remember in this school year.

The Annual Staff
We dedicate this Annual to you Mr. Elam, for your sympathy and understanding of the problems that face the young students of high school, and for your undying spirit that has led us to a better knowledge of honesty, friendship, religion, and teamwork, in our young lives.

We could never thank you enough for what you have taught us through your personal experience of courage in the face of danger and unceasing love of God and mankind.

Best Wishes,
H. Elam Jr.
I am indeed proud to be a member of the teaching profession and to be able to work with the youth of Beeville, for:

If we work upon marble, it will perish.
If we work upon brass, time will efface it.
And if we build temples, some day those Temples will crumble in dust;
But if we work upon the minds of Boys and girls and imbue them with spirit,
Give them a love for God and their fellow man —
We engrave upon those tablets something That will last throughout eternity.

H. Lee Clifton
MESSAGE

Each year's work with the students of A.C. Jones High School is more pleasant than the year before. It is gratifying to receive such wonderful cooperation and loyalty from students and teachers.

As the years go by you will look upon your high school days as being the happiest time of your life. Everlasting impressions and friendships are made during your high school experiences. Pick your friends as well as your ideas and stick with them through thick and thin.

The Annual Staff and Sponsor are to be congratulated on a job well done. This splendid book is but a recording of the memories of a successful school year for 1951-52.

Sincerely,
