Dedication

OLLIE WOOLSEY

We of the 1953-54 Annual Staff take great pleasure in dedicating this annual to Miss Ollie Woolsey who has so faithfully and wholeheartedly worked with the Seniors of this year as a sponsor and with the other students of A. C. Jones High School as an English teacher.

Miss Woolsey, this dedication is a small token of our appreciation for your everlasting patience and understanding from the student body as a whole and the greatest thanks from the 53-54 Seniors for being tops as a sponsor and friend.
TO THE STUDENTS OF A. C. JONES HIGH SCHOOL
BEEVILLE, TEXAS

It is a pleasure, again, to bring greetings to the students of our high school. As a mere acquaintance has blossomed into friendship, I have no hesitancy in saying that you constitute the finest of the fine student bodies with whom I have worked.

My earnest desire is that the loyalty, the sincerity, the enthusiasm, the love for your fellowman that you have demonstrated throughout this school year will always occupy a pre-eminent position in your later life.

May you throughout life always seek for the truth, because our greatest Teacher has said, "The truth shall make you free!"

Sincerely yours,

Floyd W. Parsons
Superintendent
For all of us this is another year; for some of us it will be a really new and different year; while for others this school year will mean novel achievement, original adventure and fresh, vigorous service to the school and community.

The best way we can help ourselves, our school, and our community is simply by thinking. It is vastly easier to fight than to think, yet all fighting without thinking is sure to end in defeat. It is much easier to work than to think, but the harder man works without thought, the more damage he does. To think means to survive.

Congratulations to a hard working and brilliant thinking annual staff for having produced this splendid book which records the events of a successful school year.

Sincerely,

[Signature]
