OUR SCHOOL SPIRIT

You're typical teen... make fun of work... share interests... You prefer jeans, but will change when occasion demands. Yes, you go steady... five months... maybe... dress up... looks for her... tie for him... You know how to drive.

You're a typical high school student... go out for sports... into the wee hours of morning... You work in stores... garage... You hold down a job... go out for little spare time.

Your daily schedule is... familiar pattern of high school life... up late... breakfast... speed to class... sometimes to radio while doing homework... You snack... over night... listen... study... listen... enjoy school.

C. NO... Always make the grade... A's... but you're satisfied because you're a teenager.

And so, here's your book. THE TROJAN, endeavors... you to make our school spirit... in... athletic... whatever it may be... water... whatever you may go... you will always find it.

We the Annual Staff, hope you will enjoy this interpretation of SCHOOL SPIRIT.

Superintendent's Message

The memories recorded in your school annual and in your mind grow priceless as the years go by. We are each responsible to see and to recognize the opportunities that open to us along our path of life. Your enjoyment of school life is closely related to the extent to which you take advantage of the opportunities for learning in the classrooms and for leadership in student affairs. You are busy each day building an attitude, a reputation, a moral code—a set of standards by which you must live and be willing to be judged by self and by fellow man. You are not just preparing to live in the "world of adults" tomorrow, but what you are doing and thinking now is important in forming what that "world of adults" will be for you. As a member of your school faculty, I hope that we can have at least a small part in making a brighter future for you and those who shall follow you through the Beeville Public Schools.

A. A. Roberts
Superintendent of Schools
It is with great pride that I write this, my first message to the Trojan of A. C. Jones High School. I am proud to be a part of this fine school, and it is a fine school because you, the students, have made it so. Our community has wisely and generously provided us with the finest of facilities; you, with splendid cooperation, good citizenship, and enthusiastic school spirit have molded a student body to match these wonderful facilities. It has been a real pleasure to work and to learn with you.

The most valuable possession any nation has is its youth. The future of this nation lies in your hands. Our country and the world need a stalwart and an educated youth in the battle against the forces of ignorance and intolerance. Our sincere hope is that your school has been able to help prepare you for the life ahead.

This splendid 1957 Trojan will bring fond memories of this school year for many years. My hearty congratulations to the Annual Staff and the sponsor for a job well done.

Congratulations to the Class of '57! I remember with pride the moments of challenge and thoughtfulness that you have given me in the classroom.

If what we have done here, with you, has helped make your life one of fullness and satisfaction, we ask that you breathe a word of thanks and remember us.

May each of you walk with God in all your ways.

Sincerely,

George F. Elam, Jr.

The A. C. Jones High School is built on a 32-acre tract of land north of the City of Beeville. It is designed to house 540 students, and contains basic facilities to house approximately 1200 students with the construction of additional classrooms. The building has 74,580 square feet of floor area and was built at a total construction cost of $784,615.48. There are 25 specific teaching areas, including special areas for teaching of distributive education, commercial subjects, science, journalism, home and family living, vocational agriculture, shop and manual arts, mechanical drawing, health and physical education, music, and dramatic arts. It is centered about an auditorium seating 1,000 persons and has a large gymnasium featuring folding bleachers and an electrically-controlled folding partition which serves to divide the gymnasium into two playing floors. There is year-around air-conditioning in the central administrative office. The building has 314 windows and 223 doors and is constructed of 199,786 bricks and 125,000 tiles. It also contains 325 tons of reinforcing steel and 4,512 cubic yards of concrete. The building was designed by Smyth & Smyth, Architects, built by E. Eisenhauer, Contractor, and completed and occupied in September, 1955.

The school has three grades, Sophomore, Junior, and Senior classes. A total of 407 students enrolled in high school at the beginning of the 1956-57 school year. Employed in the system are twenty-three teachers, a student counselor, a librarian, a principal, a cafeteria manager, and an eight member maintenance crew.

To you, Mrs. Doris Kuhnett, we dedicate the 1956-57 Trojan Annual in appreciation for your sincere interest in us. You have so faithfully guided, advised, and helped us to struggle through the many difficulties that have arisen.

Mrs. Kuhnett, this dedication is a small token of our appreciation for your understanding and everlasting patience. We count it an honor and an inspiration to have known you—a wonderful member of our high school faculty.

The Future Teachers of America Chapter of A. C. Jones High School is named for Floyd W. Parsons, a former Superintendent. Our local Future Teachers of America chapter is affiliated with the State and National organizations. Any prospective teacher may join. F.T.A. is to promote interest among future teachers, as well as contribute in an informative manner.

MEMBERS OF LIBRARY CLUB: Shirley Athey, Linda Beck, Darlene Bostick, Joan Brown, Linda Cox, Tommie Frizzle, Alicia Han, Sandra Harris, Arnette Laughter, Ann Malone, Margaret Maxwell, Lela McCloud, Joann Morris, Jane Patchman, Glenna Rider, Nancy Smith, Karen Vin Allen, Josephine Welde, Rosemary Wilson, Mary Youngblood, Mrs. Iris West, Sponsor.

The Library Club in A. C. Jones High School is made up of assistant librarians. These librarians are required to maintain a grade average of "B" in the course they are taking as well as working in the Library one period a day. The Library Club is a member of the State T.A.L.A.

This year our club played host to the District Library Convention and held the District office as Secretary.
Choir

Members of the Distributive Education Club go to school only four periods a day.

In the afternoons, the members of this club hold positions in various stores downtown.

They have also taken several field trips in connection with their work. They visited Joske's in San Antonio to see how a large store is operated.

CONGRATULATIONS...

You have completed your first phase of your education. You have grown from childhood to adulthood. From this day on your journey of life will be filled with new thrills, new friends, new places, and new obstacles. Meet them, see them, and enjoy them with every ounce of energy you can muster. Accept each new acquaintance with the eagerness of a two-year-old. Face each problem squarely and honestly. Only then will you reap life's most precious gem: "Living Life to Its Fullest."
