We Salute the Faculty

We of the 1966 Trojan Annual Staff, salute the Faculty of A.C. Jones High School. We believe the faculty to be an important Key to our success. It is appropriate that we salute them for their hard work and efforts in and out of school.

The faculty is not only responsible for making available to us Knowledge, but helping us in our extra curricular activities. Teachers put in many extra hours as sponsors of clubs and in supervision of sport activities.

Many long hours are spent without pay for the betterment of our school and its activities.

We would like to sincerely thank the faculty for their efforts, time, and outstanding work.

Superintendent

Mr. Archie Roberts

Schools are for learning and learning is for widening the individual horizons of life. I hope this has been the experience of each staff member and student of Beeville Public Schools during this year. This has been a most challenging school year for me, one of successes, of accomplishments, and, yes, one of some failures and disappointments. All of these experiences go together to season us for service in future years. When our accomplishments build pride and personal satisfaction, and when our failures spur us on to new thoughts and methods, they become indistinguishable in molding our actions to widening horizons for ourselves and others.

A. A. Roberts
Superintendent of Schools
Principal

It is my sincere hope that every student of A. C. Jones High School has profited educationally from his experience during this year. In addition to the acquisition of worthy knowledge we have stressed the development of individual responsibility and self-reliance. Many students have made admirable progress, and we are proud of them. Some have fallen short of the mark and should look forward to next year with renewed courage and ambition.

The 1965-66 Trojan Annual staff and sponsor are to be commended for this nice, pictorial review of the memorable events of this school year and the students and faculty members who participated in them.

Trojans Upset Favored Cottonpickers

In the opening game of the season the Trojans of Beeville upset the favored Cotton Pickers of Robstown by a score of 13 to 10.

Robstown pulled ahead in the second quarter on a 36 yard field goal. The lead did not last long for Hinderman scored again on a 85 yard romp. Hinderman also kicked the extra point.

The third and fourth quarters were scoreless and the game ended with the Trojans 13 and the Cotton Pickers 10.
Trojans Win Over Refugio 10-7

In their second game the Trojans won against the Bobcats. The Trojan defense played a good game but the offense didn’t play as well. Refugio scored first on a recovered fumble from 4 yards out. The extra point was good and the score was 7 to nothing.

The second quarter was the Trojans. Bobby Stuart made the touchdown on a 15 yard run. Calvin Hinderman made the extra point to tie the game. Stuart in the last minute of the quarter scored again but it was called back on a holding penalty.

The third quarter was scoreless with the ball going back and forth. A Trojan pass was intercepted and Bobby Stuart recovered a fumble.

The Trojans entered the fourth quarter on the ball. They drove down deep in Bobcat territory. Beeville decided to break the tie with a field goal. Butch White kicked from 24 yards out and made the three points. The game ended on a pass interception by Billy Cooper to stop the Bobcats last desperate drive. The game ended with the score 10 to 7 in favor of the Beeville Trojans.

Lost 13-0

The first half of the game the Trojans had to fight with their backs against the wall. For most of the first half the Gobblers had possession of the ball. A valiant goal line stand in the first quarter held the Gobblers. The 2nd quarter Cuero made a 44 yard run for the score. The point after was no good.

In the second half the Trojans started playing ball. From 2 1/2 yards out Beeville went over into pay dirt but an illegal procedure foul erased the six points.

Calvin Hinderman kicked the point after to put the Trojans ahead 7 to 0 in the opening minute.

The Unicorns marched back up to the Trojan two, in the next series of plays.

Here the Trojan defense showed its stuff and held, giving the ball to the offense after recovering a Unicorn fumble. In the second quarter the Trojans moved the ball into the Unicorn end of the field but lost control on downs.

The Unicorns took over, but lost the ball on a fumble recovered by Roger Sherman. The Trojans moved the ball to the 19 yard line and from there Butch White placed a kick through the uprights. This was the last of the scoring game.

Welcome
Mr. Lester
We, the class of 1966, would like to thank, Mr. McCoy, Mr. Hatcher and the faculty of A.C. Jones, for giving us the knowledge and the background for our future years. We will never forget the many activities and our friendships made during our four years attendance here. We would again like to thank everyone and will hold close to us the many memories of A.C. Jones.
