As the year 1968-1969 moves on and progress is made, recorded, and forgotten, thoughts of JHS fade away and other interests take their places. We present to you the Trojan of 1969 in hopes that it will bring you pleasure both now and in the years to come. We hope that some day as you turn these pages so may you turn back the pages of time and once again be in the halls of JHS.

We Salute the Baseball Team

We, the 1968-69 Annual Staff, salute the Baseball Team of A. C. Jones High School. We feel that they have done an outstanding job this year and should be recognized as one of the most outstanding Baseball Teams A. C. Jones has ever had.
The School Board consists of seven elected representatives from the Beeville Independent School District. Each member serves a term of three years. The members of the Board have the duty to establish and maintain high educational facilities.
Administration
The 1968-69 school year is one of great significance and opportunity for each member of our staff and student body. It is a year that has again underlined the necessity that each of us recognize our responsibility of citizenship and grasp every opportunity to develop to the utmost of his ability. Each student must make a choice of his life work and press forward with the preparation necessary to succeed. Remember that life may not always offer identical opportunity to us all. We may not all be identically endowed with the ability we see in others. Progress is often measured by the inequality of talent, inequality of genius, and not by the stifling controls of standardization and mediocre performance.

In these affluent times may we pause to recall the courage of those who settled a wilderness, the vision of those who founded this nation, the steadfastness of those who in each succeeding generation have fought to keep pure the ideal of democracy and equality of opportunity. The public school itself is relatively new. It is democracy's greatest gift to civilization. It is ourselves working together to meet a universal need.

I sincerely hope that your high school has helped to make you aware of your heritage as an American citizen. I hope your experiences in A. C. Jones High School have helped to train you to make wise decisions and judgements and to think critically.

Congratulations to the 1969 seniors—and to the 1968-'69 Annual Staff for this fine review of the school year.

We, the Class of 1969, will never forget our many friendships and all of our activities during our four years here at A. C. Jones. Thank you JHS for our experiences here which have enabled us to take our places as citizens of our future years ahead of us.
"I Believe"

I believe for every drop of rain that falls, a flower grows,
I believe that somewhere in the darkest night, a candle glows.
I believe for everyone who goes astray,
someone will come to show the way.
I believe, I believe,
I believe above the storm the smallest prayer will still be heard,
I believe that someone in the great somewhere hears every word,
Everytime I hear a new-born baby cry,
or touch a leaf, or see the sky,
Then I know why I believe.

TROJAN ANNUAL STAFF

Sally Grevelle, Business Manager

The TROJAN, the A. C. Jones High School Yearbook, is published in hopes of providing every student with an accurate record of his activities throughout the school year.

To raise money for printing the Annual, the staffers sponsor an Annual Dance at which time school favorites, club beau and sweethearts, and outstanding seniors are honored. Other fund raising projects are selling programs at all home football games and working the concessions at one home game during the season.

Each staffer has an individual section for which he is responsible. He must complete his section and meet certain deadlines.

The sponsor this year is Mrs. Dorothy Mabe.

BALLADIERS

This ensemble of 16 voices, 4 alternates, and accompanists, is made up of members selected by audition only. They specialize in popular, ballads, and madrigal numbers. Because of the small size and high caliber of this group, they are often called upon to sing for civic and community functions. In Region XIV U. I. L. Solo and Ensemble Competition, they have received top Divisional ratings each of the two years of their existence. This year they will compete on State level in Madrigal Ensemble in June.

"The Great Dane"

Bente Groenbaek, American Field Service Exchange student, is a native of Smedsted, Denmark. She is the oldest of a family of five, two boys and three girls. Her father is a Lutheran minister.

Bente became interested in the foreign exchange program when a friend of hers told her of his experiences at Arizona as an exchange student. To become an exchange student, she took a written test. "I Believe"

I believe for every drop of rain that falls, a flower grows,
I believe that somewhere in the darkest night, a candle glows.
I believe for everyone who goes astray,
someone will come to show the way.
I believe, I believe.
I believe above the storm the smallest prayer will still be heard,
I believe that someone in the great somewhere hears every word,
Everytime I hear a new-born baby cry,
or touch a leaf, or see the sky,
Then I know why I believe.
