Letters From The Staff

The sports world is a world which has been around for centuries. A. C. Jones offers several different sports, and many students, boys and girls alike, participate in them. This year we have taken a lot of time and effort to put together the best section ever. We hope you enjoy this sports section 78.

Sammy

This year's book has taken on a new look. The theme, "USB", was a new idea that stemmed from a Certificate of Excellence in Creative Theme Ideas at San Angelo. The staff also put together the Annual Dance and Entertainment and directed student photos taken. This year's staff is hard-working and I'm sure you'll agree with me when I say that this annual is worth remembering.

Debbie

There are "thousands" of clubs in our school. Clubs help students get to know each other by working together. Club members learn how to work hard and have fun at the same time. Clubs keep students involved, out of trouble, and our school organized. I hope you enjoy the club section. Remember, CLUBS ARE GREAT!!!

Lorraine

Doing this year's Junior class section has helped me get to know my classmates better. We hope when you look back at your class, you'll help remember the fun and crazy things that happened during this school year.

Sid

Fourteen new teachers brought their talents to JHS this year. Along with the returning faculty they directed operations of the school from the academic end. When you realize that most teachers have over 100 students a day, most problems in the classroom stem from lack of understanding. We are indeed fortunate to have such an outstanding faculty at A. C. Jones.

Teresa

The ad section gives our businesses around town an opportunity to make themselves noticed. Everyone on staff thanks ads to help raise money to put this book into publication. Action shots within the ad section encourage students to take a closer look to see what our local merchants have to offer in A. C. Jones students.

Rudy
Us In Beeville

This year has seen Beeville growing and changing in more ways than ever before. As the population has increased, new businesses have been added to the local economy and expansion of old businesses and buildings have changed the look of the whole city.

The most prominent addition to Beeville's business district was the building of a K-Mart.

Along with private expansion has come the need to enlarge the public sector of the community. The Bee County Jail has been inadequate for a number of years and when the final vote was in, it was decided that the jail would be expanded.

The election on April 7 saw new members elected to the City Council. They are now responsible for leading the city down the road to prosperity as it grows and develops.
Us In A. C. Jones

Major changes have come to A. C. Jones in many forms. This year Mr. McCoy announced his retirement after 29 years of service, a three-million dollar bond issue went before the voters and two new faces were added to the School Board.

When Mr. McCoy came to Beeville, he inaugurated the open-campus system. Twenty-three years later upon retiring, he speculated that the new principal might not have the same feeling about this system and that this might be the last year Jones' students would be allowed this privilege.

The new members of the School Board have brought new blood into the system. It is hoped that the new members will see the needs of our school system and provide an enthusiastic leadership for BISD.

The bonds which have been proposed will serve as a mass improvement in A. C. Jones. The music wing will be enlarged and there is a great possibility that our ceilings may actually see the underside of tiles.

Coach Schmidt made a surprise move this year. During the second quarter, he accepted the Athletic Director's position in the Tuloso-Midway School District. The football team had an 8-2 record this year and placed second in District 16 AAA under the coaching of Don Schmidt.

Being on the Annual Staff involves more than just producing a yearbook. The staff raises money through the sale of football concessions, programs, annual dance, entertainment, school pictures, ad sales, and annual sales. The yearbook is a reminder of how many organizations and events are happening during the school year.
Front row: Terri Webb, Clinton Reaves, Rachel Guerra, Jennifer Davis.

Middle row: Dana Higgins, Kathy Morgan, Julie Steddman, Mable Bowie, Marie Cardwell, Mary Ruzz.

Back row: Robert Blackman, Roland Pfeil, Gregg Rose, Floyd Gibson, Sandra Pena.
The members of the National Honor Society have had to keep a strict eye on their accumulative averages. Only Sophomores, Juniors, and Seniors are allowed in N.H.S. Sophomores must keep a 92 or better average and have had at least one honors course. Juniors must keep a 90 or above average and have had at least two honors courses, while Seniors must have a 90 or better average and have had three honors courses. Being selected for the National Honor Society is an accomplishment to be proud of and these students have earned it.

Roland In America

The school year of 1978-79 at A. C. Jones has been very important for me as it was a very nice experience. I enjoyed going to this school and cooperating with teachers and students.

My AFS year in Reevesville has been the nicest adventure of my whole life and it will stay with me.

Thank you for sharing this year with me.

Student Council

OFFICERS
Left to right: Jimmy Hatfield—Vice-president, Pam Roberts—Recording secretary, Kirk Addison—President, Carter Arnold—Historian, Judy Jaramillo—Parliamentarian, Celinda Garcia—Corresponding secretary, Marcella Danielson—Treasurer.

The Student Council worked very hard this year contributing many things to A. C. Jones. These students are responsible for such tasks as lowering the flag and saying the pledge. They hold all our assemblies and sponsor fun days such as Comedy Day. They were also responsible for the singing telegrams on Valentine's Day and took part in the food drive at Christmas. The Student Council bought a new globe for the library and presented Mr. McCoy a gold watch at the end of the school year.
Our Student Council was proud to sponsor the Spring District Convention in which twenty schools from our district attended. Along with discussion groups and elections for new district officers, a very special guest speaker, Congressman Chick Kazen, was present. Key Club also helped out by supplying barbecue.
The "S" Club was very successful in bake sales and cancer drives this year. They held program meetings in which people came and talked on different topics. In one meeting, held at the State Bank, aerobic dancers came and demonstrated aerobic dancing and taught the girls a routine. At another meeting, two ladies from the Old Home Health Foods Store came and talked about health, vitamins and skin care. The girls also held a banquet at La Fiesta in which new officers were elected.

The Key Club was very busy this year. Along with the Welfare, Blood and Cancer drives, they also painted the parking lot and fixed the marquee. The members also catered the Student Council Convention. The Key Club held a bar-b-que to raise money and went to a convention in Dallas. The Key Club did an outstanding job this year and helped raise the moral of the school.

Future Teachers Of America

The Future Teachers Of America were very successful this year in bake sales, carnation sales and concession stands. The members attended two conventions; one in Galveston and the other in Wharton. The members also worked hard to earn points to go to Fort Worth for the State Convention; however, the ten people selected to go were unable to attend. The Annual Spring Banquet was held on May 8, 1979 in which awards were given to top members and the new officers were sworn in.
The Future Homemakers of America worked very hard this year. The members worked on Valentine favors for the nursing home and visited the residents. They also sold cookbooks and had bake sales to help raise money for the club. These money-making projects sent the two high-point members, Martha Thurston and Susan Talley to the state meeting. The officers for FHA were: President: Diane Romaine, Vice-President: Tammy Stephens, Secretary: Martha Thurston, Treasurer: Charlotte Sohike, Reporter: Susan Talley, Parliamentarian: Ruben Garcia.

The Auto Mechanics get paid for working on cars for the students of A.G. Jones. The money they receive is kept until the end of the year for a party. The jobs they do are: putting in mufflers, changing oil and filter, greasing, steam cleaning motor, carburetor, valve jobs, sand blasting, and body work. Being in this club helps those students become expert mechanics.

Senior Lettermen & Teacher Aides

Office Assistants-Hall Monitors

The Hall Monitors and Office Assistants did a nice job of keeping the order here at A.C. Jones. The Hall Monitors are needed by teachers to keep the halls cleared during classes. Office Assistants are really busy all year round lightening the work load of Mrs. Hatfield and Mrs. Swinney. Even in hectic times, we can count on Hall Monitors and Office Assistants to make life go smoother by helping everyone get along.
Science Club

One of the Science Club's projects was the making of a haunted house on Halloween Night. Above are some of the Science Club members dressed up in their wild costumes ready to scare the pants off their visitors.

The Trojanetts put forth a lot of effort to be the great drill team they are. They spent their summer practicing kicks, steps, and ripples. Their hard work showed at the pep rallies they performed at. They also helped raise school spirit by decorating the football players' lockers. The Trojanetts performed at every football game and were a lot of help to the pep squad. Pictured on the opposite page are from left to right, Liz Moreno, Major; Dionicia Ruíz, Director; and Barbara Garza, Lieutenant Colonel, holding a trophy awarded in competition. The twenty girls that attended were rated superior in jazz and excellent in high kick and prop competition. This award showed the long hours of hard work they put forth. Their performance this year is greatly appreciated and we hope to see more of them in years to come.
Varsity Cheerleaders

Left to right: Cindy Lyvers, Julie Young, Debbie Finke, Ricky Flores, Head Cheerleader—Debbie Reynolds, Kay Antoine, Terri Fish, Rosie San Miguel.
The Varsity Cheerleaders, under the direction of Debbie Reynolds, did a fine job of raising the spirit of A.C. Jones. Cheerleading is not just a girls' sport. For the first time in seven years, a male member of the student body has helped sustain the school spirit by being on the squad.

Our cheerleaders worked hard at camp in Kingsville and all year round by attending all sports activities. The squad brought home the spirit stick and were nominated for the award of excellence. Each week they prepared our pep rallies and served tea for the football players. They made signs for yards and decorated the players' rooms. The squad threw out miniature footballs to the crowds and sold ribbons during the week. As an added spirit raising activity, the cheerleaders sponsored a spirit chain contest in which the Senior Class won.
The Freshman cheerleaders were a big help in keeping our spirit high in A.C. Jones. These girls helped the varsity squad raise money in the spirit chain contest and by selling ribbons. They cheered at Freshman games and took turns cheering at J.V. games. They served tea and held a party for the basketball team. Our Freshman squad worked hard and deserve a great deal of praise for all their help.
Pep Squad

The Pep Squad's original name is the "Orange Jackets." The Officer of the Orange Jackets is Colinda Garcia, and the squad leaders are as follows: Rita Rodriguez, Terri DeHoyos, Norma Martinez, and Maria Gomez. We should give them a lot of appreciation for doing such a great job. They have helped keep up our school spirit by decorating the football players' lockers and going to all the football games and pep rallies, and by cheering the mighty Trojans to victory!

A. C. Jones Choir Presents

The performances in "Annie Get Your Gun" were worth remembering. The hard work these students put forth showed through on the nights the musical was presented. We would like to thank the choir and all the other students who helped in giving us two unforgettable evenings of entertainment.
"Annie Get Your Gun!"
The choir's Spring Concert went over great. Their music was received with lots of applause. Along with their music some very deserving people were recognized. Mr. McAulay, the choir's director; Mr. McCoy, retiring principal; the graduating seniors; and the Balladiers, were some of the people recognized for the hard work and all the effort they put forth.

The opening game of the season saw the Trojans pitted against the Mustangs of King High School. A strong Trojan team had the district title in their sights and started the season with a sound defeat of the Mustangs, 13-7.
COYOTES SEND TROJANS HOWLING

The mud-soaked field in Alice proved too slippery for the Trojans when they battled the Coyotes in their second game of the season. The Coyotes overcame the Trojans 32-12 and handed them their first loss.

TROJANS CRACK CRABS

Many hours of practice were in store for the Trojans after their loss to Alice. The results of that extra effort were evident in a 27-0 victory over the Port Lavaca Sandcrabs.
TROJANS PLUNDER PIRATES

The week of the homecoming game against the Stilton Pirates was filled with sophomore gatherings, student elections, and tumultuous tears as the seniors made preparations for their last homecoming game and dance. The Trojans pulled off a fantastically fitting finish as they triumphed over the Pirates, 27-6.
TROJANS SCAR WILDCATS

The evening of October 6 saw the Trojans defeat the Catalina Wildcats, 13-0.

The Wildcats were the first district opponent for the Trojans, and they trounced the Cats to prove that it would be a great season ahead for Coach Schmidt and the Trojan team.
The Trojans traveled to Toloso-Midway with the hope of winning the game that would keep them in the running for district champs. The Trojans started the game with an abundance of pep that carried them through to a finishing score of 41-19.
WILDCATS WOUND (wūnd) TROJANS

Not having fully recovered from the wound received last year at the hands of the Gregory-Portland Wildcats, the Trojans traveled to Portland planning to return the wound. However, the Trojans were unable to overcome Mark James and the rest of the Wildcat team. It was a 35-0 loss in the most tragic game of the season.
TROJANS BRAND BEARS

West Oso felt the hot iron of the Trojan defense and were branded 22-6. This was the ninth season victory for the magnificent Trojans. Only the Gregory-Portland Wildcats failed to receive the Trojan brand for the 1978-79 season and Coach Schmidt and his staff are to be commended for a most successful roundup.
TROJANS CAPTURE PIRATES

The Pirates of Rockport-Fulton came to Beeville and didn’t win. In fact, they lost VERY badly. The Trojans sunk the Pirates to the tune of 49-0. (No, this is not a joke.) The Pirates gave the Beeville boys their fourth district win.
TROJANS HORRIFY HORNETS

To close the season, the Trojans faced the Flour-Bluff Hornets and sent them crashing to the ground. There was little to celebrate at the Hornets’ Homecoming with the 76-0 defeat handed them by the Trojans. This game put the Trojans in third place in District 13-AAA.
Junior Varsity

The ominous prediction of noseasonal victories for the 1978-79 Junior Varsity was well on itsway to being a reality at the end of a winless first half. With onlyfour games left, the Junior Varsity team discarded their belief inthe occult and brought in a very real four game winning streak.
Freshman Football

The 1978-79 Trojan Freshman Football Team was one of the largest Freshman teams that A. G. Jones has ever had. Although they lost their first game, the Freshmen boys were full of Trojan spirit and ended the season with a pretty even record of five wins, four losses and one tie. The Junior Varsity team will have some extra push (or is that shove) next year with this group moving up.

Cross Country

The Trojan cross country team consisting of Armando Ramirez, Kenneth Lenord, Placido Garcia, Mark Reidin, Jerry Dela Garza, Isaac Burgos, Gerald Krawietz was under the leadership of Coach Cecil Bryant. This team won the District 15-AAA title by beating the toughest competitors of the District 15-AAA conference. After their victorious win, they went on to the regional meet. Here they fell to a second place finish under Austin Westlake. From here the Trojans went to Georgetown to compete in the state meet. The Trojans missed a state championship by three points under A&M Consolidated. The Trojans received a second place finish by beating Austin Westlake who had defeated them in an earlier regional meet.

Congratulations to the cross country team of '78-79 from the Annual Staff for an outstanding performance in cross country competition.

The girl's track team is not one to be shoved around. Being on the track team takes a lot of hard work. This year's team, under the leadership of Virgil Judy and Beverly Bostwick, certainly fit that description. Victory for this team was not to be denied. Oralia Valdez and Rosemary Gonzalez were the two team members who went to the regional meet in Corpus Christi. Congratulations to this year's track team and especially to the two regional members.

Sports

The "Big-4" is a new idea for the sports section. It is brought about to make this year's annual more enjoyable. The A.C. Jones High School has many sports and over 150 athletes participating. Over 75 percent of the athletes play two or more sports. The athletes selected to the "Big-4" for this school year consist of three seniors and one sophomore.

Big-4

DARRYL BEASLEY

Darryl is a team leader with high spirits. He has played basketball throughout his high school years making varsity his sophomore, junior and senior years. During his junior year he was second in team scoring behind Lionel Vasquez. Darryl was also picked to the second All-District team. His senior year was great. Darryl was first in team scoring and was chosen offensive and defensive player of the year. Darryl was also named to the All-District team.

JIMMY HATFIELD

Jimmy has participated in many different sports during his years at A.C. Jones including tennis, basketball, track, golf and the one sport he is best known for—football. Jimmy is a three-year letterman in football and was selected to the All-District team both his junior and senior years. Jimmy is a leader and an outstanding sportsman.
Big-4 Sports

BEBE ADAMEZ

Bebe is the model athlete for all young athletes. He is a master of many sports. He is a three year letterman in football and baseball. Bebe has made All district for two years running for both football and baseball. Bebe was named to the All South Texas team in baseball. He has received an invitation to try out for the Cincinnati Reds. In between football he runs track. Bebe Adamez is an athlete this school will never forget.

JERRY DELA GARZA

Jerry is the only Big-4 member who is not a senior; for he is only a sophomore. He participated in three different sports. They were football, cross country, and track. The reason for Jerry being selected to the Big-4 is because of his running ability. Jerry was 2nd in the state meet for both cross country and track. Jerry has more miles than most care have. He has two years left and a few more records to break. Go get 'em Jerry!

Wouldn't you know Brenda Walker is in the middle of things again. Oh, well, there is safety in numbers.
At last! A cure for final exams.

Aw, shucks! That was easy.
S is for the sophomoric attitudes we share.
O is for the obligations of which we are aware.
P is for the pride which we are arrogant to confess.
H is for the humanity which each of us possess.
O is for the opinions that we all believe.
M is for the memories to which we'll always cleave.
O is for the opportunities that life brings,
R is for the respect we have for every living thing.
E is for the effort we show in every way,
S is for the seniors that we'll soon become one day.
Lolly Garcia says, "These hard words bring out the ape in me."

"Hmmm... not bad, not bad at all!" concludes Mike Turner.

“It’s so hard to say Good-bye to Yesterday”
How do I say good-bye
to what we had,
the good times that made us laugh
outweigh the bad
I thought we’d get to see forever.
but forever had flown away,
it's hard to say good-bye to yesterday
— to yesterday
I don't—
know where this road
is going to lead to,
all I know
is where we've been
and what we have
been through,
if it gets me to tomorrow
I hope it’s worth all the pain,
DENISE HICKEY

it's hard to say good-bye to yesterday
if I take
with me the
memories
to be my sunshine out with the rain,
it’s so hard to say good-bye to yesterday
—to yesterday.

It's been Longer for some than for others
We have taken a better look
There are many more years
of rides in the future for us.
But this year showed US at our BEST
