The Colors Change Like "The Times of Our Lives"
Our school is like a tree
And we the students
are but leaves
on that tree.
Just as a tree provides nourishment
for the leaves to grow,
Our teachers provide us
the knowledge we need to grow in life.
As the winds of time blow on
The leaves change into things of beauty
and pass on.

In May, one of America's finest entertainers, has always asked the entertainment industry by saying, "Thanks for the Memories." In essence, the memories that made TV so great for each of us.

I hope this year's annual will be something you will cherish for the rest of your life. Eventually, you will see your annual as a collection of pleasant memories, of friends, and of good times. In essence, these recollections are probably the "best times of your life." Would you sell to have the same friends with whom you can share the good and bad experiences of growing up adolescent?

To later years, your high school annual will offer a nostalgic glance into the past-friends, accomplishments, sports heroes, school favorites, "Most likely to succeed," and "Most handsome." Above all, your annual will recall some of the best memories of your life. Take this annual and save it. But if you lose it, remember that lost time is lost. Your annual is a memory of a portion of your life. You will look at it and say, "Thanks for the Memories."

A final tally of five wins and five losses gained the second place slot in District 15-3A football for the 1979 Varsity Trojans. After three unsuccessful non-district games the Trojans battled 3-A rival Calallen to a 16-7 victory. In the Sinton game the Trojans came back fighting to a 21-13 victory after Sinton dominated the entire first half. After a loss to Gregory-Portland 36-14, the Trojans defeated the Tuloso-Midway Warriors 27-14. The fired-up Trojans traveled to Rockport leaving the Pirates with a final score of 30-12. The Trojans were shut out 21-0 by the West Oso Bears but the Trojans roared back the following week to beat Flour Bluff 19-13 to end the season victorious.

The 1980 Area Special Olympics were held in Beeville. There were 8 students from A.C. Jones High School that participated in the Olympics. These students won many first place ribbons.

The Special Olympics has taught us all something very important. In an age of super-professionalism and commercialism in athletics the Special Olympics reminds us of the true meaning of sportsmanly character, courage and competition.

At the Austin Olympics out of 4000 students who attended the 4 students from Beeville took home more medals than any other school. 13 gold, 8 silver, and 8 bronze.

Doyle May waited for the soccer games to start.

Brilliant Year

The anxious graduates.

Freedom at last!!

A time of joy.

Happiness is........... GRADUATION!!!!!!!
GRADUATING

Those faces of old and faces of new,
The people we’ve known and people we knew.
Being together then having new starts,
But always together in our own hearts
At graduation we all grow nearer
And all of our friends seem so much dearer,
And as we all say our final goodbye,
One last embrace and one more little cry.
The “Alma Mater” sung and then a yell,
But best of all is ringing of that bell.
A place in my heart, you will always stay.
That is what’s said as we go our own way.

Staff Creates Action-Packed Yearbook

Take a little out of the way room, add pictures, layout sheets, typewriters, and pica rulers—plus eight hard-working students fourth period. What do you have? The 1980 TROJAN staff!

Each staff member is responsible for writing copy, proportioning pictures, arranging layouts, and racking his brain to think up humorous cutlines.

Without patient determination, efficiency, and imagination, staff members would never have been able to publish this rewarding proof of their labors—the TROJAN.
While Collaborating in Comics and Cutlines

Staff members announced the honorees at the Annual Dance.

"S" club enjoys feasting at installment.

The "S" Club was originated to serve the school and community and that's exactly what these girls did. They worked in cancer drives, visited the nursing home regularly, painted the town and cars for the homecoming and organized very successful bakesales. This year the girls visited the service sororities at Southwest Texas State in San Marcus.

The library club was active this year in promoting club and school spirit. The club sponsored the Annual Paperback Book Fair again this year in March. Thirteen members attended the District TALA convention in Corpus Christi and two members traveled to the State TALA convention in Lubbock. Patty Johnson was the District IV TALA secretary and the club won first place in the District IV scrapbook contest.

Trojan Staff Works Hard on Newspaper

1979-80 was probably the most hectic year for the TROJAN newspaper staff. Laying out pages and writing stories and featureettes seemed an endless task. Printing a newspaper is a demanding job and members must be responsible students. This year's staff were a hard-working group that totaled fourteen people. Editor was Dana Higgins and co-editors were Jennifer Davis and Mitzie Bowie. With a combined effort, the staff forgot its differences and produced a fantastic newspaper.
Outstanding Students Honored for Efforts

The purpose of National Honor Society is to stimulate a desire for and give recognition to high scholarship while promoting worthy leadership. Senior and Junior students who meet academic requirements and possess qualities of character and leadership are invited to become members. The principles upon which NHS are founded include: Scholarship, Leadership, Character, and Service.
Students Support Science

The purpose of the Science Club is to support and bring together students who are interested in further studies of science. Activities this year included: a science-math contest, a fashion show at Drummers Inn, a first place novelty division winner in the Western Week parade, a spook house for Halloween and a softball tournament. The club also went on field trips to San Marcos and New Braunfels.
ICT Students Learn Valuable Career Skills

Girls Receive Office Training

Vocational Office Education is an organization in which students learn secretarial skills such as typing, filing, and using different types of adding machines and duplicators. Ms. Jacqueline Arthur (the club's sponsor) assists students in finding jobs in various locations in the community.
Distributive Education

DECA, a club of various activities, teaches leadership, vocational understanding and social intelligence. A few DECA activities included: area and state contest, national competition in Miami Beach. They also Employee-Employer banquet and a field trip to New Braunfels/San Antonio.
Students Get Job Training

VOCT students are taught semi-skills with which they can find various jobs in the community. This year the club sponsored a football concession stand and several bakesales. They also had an employer-employee banquet.
American Field Service...

The American Field Service achieved an active year in 1979-80. The club acquired many energetic members who helped to make the exchange student feel welcomed and loved. The club was also busy in money raising activities to help promote the intercultural experience at A.C. Jones.

Amparo's birthday party!

Our one week exchange student—Mike Harris from Australia.

I, Amparo Cevallos, have obtained one of the best cultural experiences that will influence me the rest of my life. I love Beeville and I am very grateful to have known all the wonderful Beevillians. A.C. Jones offered me many happy moments and outstanding opportunities. I feel very proud to have had the opportunity to attend this high school and to have worked with the student body, the faculty, and the administration.

In Memory Of

The loss of any classmate
Always leaves an empty void,
And this year we lost two of them
Mike Riggs and Jim Boyd.

We must stop and dwell a moment
On the absence of these two,
For each of us who knew them
Come memories anew.

And tho' it's hard to find the words
To express the thoughts we share,
We know Mike and Jim will always
Know how much we care.

And even tho' our lives go on
A fact we can't avoid,
We'll share a fleeting memory
Of Mike Riggs and Jim Boyd.

Sue Manuszak
