Time is not measured by the passing of the years, but by what one does, what one feels, and what one achieves.

Jawaharlal Nehru
A. C. Jones has had several publications down the years. One of the first books, circa 1900, was the PHI-LOMATHEAN. This publication was not an annual as such, but rather a literary magazine containing senior and class information as well as literary endeavors. To show the erudite makeup of the group, they chose two Greek words—philo + mathean—to represent their mood. In combination these words meant “Loving what is learned.”

THE TROJAN
50 Years Of History

This past year has been a tough one for the annual staff. There had been three advisers, constant delays, and several problems. With a Gung Ho spirit all prevailed to bring out a book which reflects many ideas and influences. The fiftieth year proved to be as volatile as the first year. May the next fifty run more smoothly.

DECA's club motto is "Developing future leaders in marketing and distribution". The DECA Club also sold Tom-Wats products which made real nice Christmas presents, at the same time they were getting ready for contest.

Vocational Industrial Clubs of America * Chapter 211

The 1980-81 VICA Club has had a busy year. They have worked at various football games in the concession stand, sold calendars, sausages, fruit, and have planned numerous fund raising activities. The club will end its years activities with a trip to San Antonio or New Braunfels. The club also participated in the Area IV VICA contest doing very well for themselves. It is one of our most active clubs on campus.

The S Club is a very active organization. Last year they participated in the homecoming week, painted cars and cleaned up the downtown store fronts. They sponsored "Clean up the school" week and collected for the cancer and heart fund charities. The S Club took on the mighty faculty and even though they lost the fight, the members put on a good show. They also raised funds through bake sales and car washes. At the end of the year the club took a trip to Southwest Texas University to visit other clubs and organizations. The S club has much to be proud of with their service activities.

American Music Festival
Opryland U.S.A.

Candy sales, candle sales, yard work and numerous fund raising projects developed a $17,000 fund for the 120 member band to take a fantasy trip to the American Music Festival in Opryland, U.S.A., Nashville, Tennessee last spring.

The first stop for the band was Fairhope, Alabama where the group performed for the Fairhope High School. The band continued on the trip in their three Arrow buses.

The Best Western Motel at Murfreesboro, was the layover point for the band. They went on a sightseeing trip on Friday and went to a party for all band members at Opryland Friday night. The band spent all day Saturday at the famed Opryland.

The band returned on Sunday, May 3 after leaving Nashville at 6:30 P.M. Saturday evening.

HONOREES

Each year the A. C. Jones student body selects senior honorees as the "most" or "best" at what they do, or might do in the future. Each honoree is carefully considered for his or her category. It is an honor well received and an honor which carries with it much acclaim. This year Tony Delgado ran away with the honors. He was voted the most and best in three areas—best looking, most likely to succeed and most outstanding as well as being the senior favorite. Sandy Rice also picked up two awards—most likely to succeed and most outstanding along with Loly Pena, all campus favorite and best personality. The students were presented at the Annual awards ceremony last February 27 preceding the dance.

Students Play The Stock Market

Mrs. Chandler and Mr. Perez explain to their consumer ed class the order concept on the New York Stock Exchange.

Team Captains Sally Flores and Molly Malone go over their investment folder. We had better check our holdings and the DOW.

Mrs. Chandler, with the assistance of Baylor University and the Center for Economic Education—Hankamer School of Business—brought to her class the thrills and chills of stocks and bonds and the wisdom it takes to invest wisely. Her class placed 14th in the region and 45th in the state for an upswing investment portfolio. The Math Consumers Economics class will take a valid foundation with them into the future.
Successful Market Players

Molly Malone and Sandra Flores go over a computer workup prior to counseling for investments.

Hepie Borrego, Richard Hansen, Angie Casso, Viola Edwards, Molly Malone, Scott Critchfield, Sandra Flores, and Eddie Molina search the printout for smart investments.

Angie Casso, Scott Critchfield, Sandra Flores, and Viola Edwards work up the portfolio which is succeeding.
