This year for the first time, the TROJAN represents the three seasons of the school year—fall, winter, spring. The various activities in which you participated are illustrated in these three fun-packed and exciting seasons.

Fall brings the excitement of pep rallies and football games. Freshmen get their first frightening—but proud impressions of high school; Seniors begin a memorable year with the sweet-sad knowledge that for them every school year milestone is a "last".

The United School Fund Drive, the Annual Dance, and Senior Night come and go and basketball and the Welfare Drive usher in winter.

With mid-term exams and the basketball games marked off IN THE RECORD BOOKS, the calendar is open to spring activities: baseball, track, district meet practice, and class plays. As the end of their high school career approaches, the Seniors are honored at the annual Junior-Senior Banquet and Prom.

Final club conventions, the Awards Assembly, spring elections...and suddenly the Mighty Trojan Band is playing the recessional and white gowned Seniors march out to end the year that was 1963-1964.
TROJAN '64
Foreword

This year's TROJAN was compiled for you to represent your activities during the three seasons of the school year that you attend J.H.S. ------------ Fall, Winter, and Spring. We, the Annual Staff, hope that the 1964 Trojan Annual is filled with pages that will bring back fond memories to you after you leave J.H.S. Our Trojan is the first to complete its story from registration through graduation. As you turn the pages, you will see a fraction of the role you played in our school. You may consider each Trojan only a chapter of your four years spent in A. C. Jones. On the following pages you can relive a year of hard work and a year of fun. ....... we sincerely hope you will enjoy your 1964 Trojan Annual.

We Salute

the TROJAN newspaper staff of A. C. Jones High School for their outstanding achievement in the field of journalism.

A member of the Interscholastic League Press Conference, the TROJAN newspaper has been named the best in its class for three consecutive years. For the eighth consecutive year, the paper has received the Award of Distinguished Merit. In May of 1963 a newly established award was presented to the TROJAN by the ILPC. This award is the "Tops in Texas" award which is given to the best paper in all types of papers, printed or mimeographed.

In December of 1964 the TROJAN was named the Top Mimeographed Paper by the Texas High School Press Association.

In May of 1964, the TROJAN was named the best in its division class AAA mimeographed, for the third consecutive year.

We would like to take this opportunity to show our appreciation to the TROJAN newspaper staff for their hours of work in preparing such a fine newspaper for the Student Body of A. C. Jones High School.

Hall to the Trojans, cheer them along their way,
Onward to victory, may they win again today,
We'll give a cheer for the Trojans.
Long may they reign supreme.

Congratulations to the seniors of 1964! May all of you strive to make this a better world in which to live.

R. E. Adkins
Chairman, Board of Education
Receiving the Trojan Annual is a high point in the year for each individual who receives one. It is the record of your high school days.

Looking through the book should be an inspiration to each student to excel in both the academic and activity type organizations.

It recalls the memories of the triumphs, and yes, the defeats that you face along the way. Graduating seniors receive the annual with mixed emotions because it is a symbol of the end of a phase of your life. Undergraduates should accept it as a challenge to greater heights to be accomplished in Jones High School in the coming year.

All who cherish the annual should take steps to preserve it for future years, because its record grows ever more meaningful with passing time.

I congratulate the student body, teaching staff, and the high school administrators for a fine year.

A.A. Roberts
This Trojan yearbook is a tribute to the 1963-64 Annual Staff. It is an excellent pictorial record of a school year which, in the years to come, will recall many pleasant memories and good times. I hope this year has been a pleasant one for all of you.

Education, however, has a much higher purpose than pleasant memories and good times. It is my sincere hope that your high school has prepared you to be better men and women in a complex world; it is my hope that you have been guided and prepared not only to make a better living but also to make a better life.

Sincerely,

Lester W. McCoy

Dear Students and Faculty:

This year in Texas has been the most wonderful time of my life. Though I am looking forward to returning to Iceland and seeing my family and friends, it is so hard to believe that this year in JHS is almost over and I will have to leave my home here in Beeville.

Going to school with you has given me a great experience, and your friendliness, hospitality and even sharing a smile with you in the school's halls will help me to bring home warm memories. I feel like I am a part of you, and Texas will always have a big part of my heart.

I want to thank the faculty with my deepest sincerity for helping me with my language problem and everything they have done for me the whole year through. I wish all of you and JHS a wonderful future of happiness and the best of everything always.

And they said it couldn't be done

We knew we'd get him

Why won't you marry me?

You'll be sorry...

Just wait till next time!

What's next?
Today, we don't chase girls

Go get him, Willy!

"YOU'LL NEVER WALK ALONE"

When you walk through a storm
Keep your head up high
And don't be afraid of the dark.
At the end of the storm
There's a golden sky
And the sweet, silver song of a lark.
Walk on through the wind,
Walk on through the rain,
Though your dreams be tossed and blown
Walk on, walk on with hope in your heart,
And you'll never walk alone.
You'll never walk alone.

We the Class of '64 have left many wonderful memories in A. C. Jones. We can never forget the crowded hall, the rushing from class to class, the many assemblies, the Prom, the last football game, ---but most of all we shall never forget the many friends we made during our four years of high school in "JHS". These have truly been four of the most meaningful years we will ever live.
