We pledge our honor
To the Orange and White
We will be loyal
Through the day and night
And even when we are losing,
We are winning too
With our high spirits
And hearts so true.
A. C. Jones students this year lifted the shadows from disbelieving minds.
They once again proved that youth can handle responsibility.
The victories and the failures in academics, sports, and music all help
to shape the personality and character of tomorrow's adults.
We young people accepted the knowledge offered to us by the faculty and
administration of A. C. Jones High School and made distinctive changes.
On the following pages

We tried to capture of how

This year the Student Council sponsored Six Flags Day, that took place all day long. In addition to their regular duties of holding elections and sponsoring assemblies, the council also tried to improve the appearance of the school by painting the trash-cans an orange and white. They also sponsored a door-decorating contest during the Christmas Holidays.

Above Left: The best-dressed girl and boy of Six Flags Day were chosen they were Jr. Lucy Martinez and Jr. Lupi Herrera.

Head Coach Don Schmidt shows off the championship trophy won by the "Jones Boys". His face shows the disappointment shared by many others as a result of that fateful coin toss that cost us a place in the play off's.
Trojans Corral Mustangs

The Trojans started out what would be the best season they'd had in the past decade. The season opener at Buc Stadium with Corpus Christi King was the first of many sweet victories to come. There was bright hopes for the future as Beeville shutout Corpus Christi King 14-0.

Eddie Antoine searches desperately for his receiver.

I'll have you know my hands are registered to A.C.J. (A.C. Jones).

Ciri and David get tough for opponents.

Mr. Bionic to the rescue.
Trojans Sink The Pirates

Behind every gray cloud there is a silver lining. Well the gray clouds were certainly visible but the Mighty Trojans still managed to find the silver lining. The game, one of the longest ever played, lasted a day and a half. Problems started when a massive storm hit during the half-time festivities, and almost emptied the stadium. For the few brave souls who stayed the Trojans and Pirates returned to the field only to retreat back to the fieldhouse after a black-out suspended play with 1:10 left in the third quarter. The game was continued the next day at 2:00 p.m. to find the Trojans once again victorious 20-12 over Sinton.

I lost my contact! (Jimmy Hatfield)

Mr. Bionic's brother?!!
(Bobby Butler)

Trojans on warpath.
Trojans Plank Pirates

The victorious Trojans started our district play with a game against the Rockport-Fulton Pirates. The Pirates soon found that they couldn't stay in the way of the Trojans young winning streak as they were defeated 27-15. Look out G.-P. here we come!

Run, Jimmy, run. See Jimmy run.

Mr. Bonic's brother is at it again!
Tuluso-Midway Squeezes By Trojans

Well life certainly does have its ups and downs and the Trojans were really down after becoming the victim of Tuloso-Midways game. One yard and one play away from victory time ran out and the inevitable caught up with the Trojans as the game ended 12-13. The first and only defeat of the season.
Trojans Kill Coyotes

The Trojans traveled to Coyote Country proud and confident of another victory. Sure enough the score being 24-6 the Trojans were sure that history would not repeat itself any longer. The Trojans felt the season ahead would be one that would be talked about for years to come.

Well here I go again. (Eddie Antoine)

Looks of anxiety. (Jeff Mabe, Randy Luevanos)

Is Bobby Butler politely saying “Excuse me”? 

Trojans Whip Wildcats

The Trojans were hot in their winning streak as they traveled to Calallen to meet the Calallen Wildcats. Strength and wisdom was again on our side as the Trojans beat the Wildcats 10-0. The Trojans no longer looked forward to the next game on the schedule, but instead to the game with G.P.

Eddie Antoine thinks he found the contact Jimmy Hatfield lost a couple of games back.
The Trojans are off to another victory.

Last minute instructions help.

Trojans get down and set for action.

Another touchdown. Victory so sweet!

Trojans Crush the Sandcrabs

During the week of the Port Lavaca game the Trojans seemed to have decided winning was fun. So much fun in fact that they decided to defeat the Port Lavaca Sandcrabs 47-27.

After game snack. (Eddie Antoine)
Another snack? Maybe he is eating Wheaties!

Mr. Bionic in action.

The coach said to give me the ball!

Coach, you forgot to tie this.

**Trojans Beat Bears**

The proud and confident Trojans hit the road to C.C. to play the West Oso Bears. They played a great game defeating the Bears 32-16. Tonight we all realized the mighty Trojans meant business and were going to do their best to get the district title.

Hey guys fumbling the ball isn't too bad.

171
Trojans Caged The Wildcats

The field was wet, the wind strong and cold that legendary night when the Gregory Portland Wildcats wandered into Trojan Country. This was the game between two of the highest rated teams in the state. The game that would possibly determine the IS 3-A champ. The Trojans had to win to have a chance at that title. It happened in the first quarter when Bobby Butler put the Trojans on the board for 6 pts. That's the way it stayed 6-0 Trojans over G.P. "You know it's funny how fate can change moods, spirits, even life." That's what happened when the coaches from Beeville, G.P. and Tuloso-Midway got together to see which champ would represent IS 3-A in Bi-District play. G.P. won but Beeville had beaten them that very night. "That's life, it's not all blue skies and roses. There has to be a thorn . . . ."

Jimmy Sandoval is eyeing that goal line like crazy.

He has a WHAT in there?

You don't mess with Big, Bad, Brian. (He hopes)

Trojans go crazy just before the game!
Mrs. Dominguez and Danny are camera shy, but Mr. D. is bad!

The Leach trio look really excited about the game!

Coach Schmidt and the Jone's boys.

Trojans Floured Flour Bluff

Tonight was parents night and the Trojans really showed their parents what a good break will do. The Trojans were victorious over Flour Bluff beating them 42-6.

Maybe if I close my eyes they'll go away! (Bobby Butler)
J.V. Team

Ah, Shucks coach!

David Barnett thinks he is too short, while his teammate is trying to put on three shoes!
Freshman Team

Richard Ramirez thinks "...I know I'm better than him..."

Sirs, What kind of hand cream do you use?
J.V. And Freshman Action Shots.

How many times do I have to tell you?

The many faces of the Freshman team.

Faces of bewilderment.

The game isn't the other way? (typical fish)

One of the many headaches the J.V. went through to get CHAMPS.

I'm not gonna tell you again, I hope.

It's a dark day for Donal Ray?

J.V. on its way to be CHAMPS.
Football

I love football, it's my game.
Through this sport I got my fame.
I got football in my heart and in my blood.
Even when we play in sunshine or in the mud.
Practice is nothing, it really counts when you're in a game.
You either give it your all, or get put to shame.
We're going to hit them hard and make them flee.
So you better watch out, ol' G.P.
Bobby Butler

Football Gifts

Football with its aches and pains,
Makes you feel in such a strain.
You hurt a leg, foot, or hand and coaches say "Son, be a man."
Football does have its reward, paid with pain you did afford.
Games you win with glory bright.
On Fridays, at 8:00 at night.
People pat you on the back, saying, "Son, please give no slack.'
The season soon comes to an end, then broken bones laugh and mend.
Edward Ousley

The Change

Everything and Everyone has begun to seem different.
Just and unjust action, though have their consequent.
The cloudy skies are blocking out the sun and heat.
Suddenly it's time to get warm and run a play to beat. (G.P.)
I close my mind off from the bright lights.
This special day now begins with a new upright.
Striving hard for present, past and future cause,
But a loss without a cause deserves not a loss at all.

Girls basketball is once again here at A. C. Jones. These pages are for the girls who never gave up. There were times when the going got rough but the girls seemed to get even tougher. This being Ms. Strickland's first year at A. C. Jones, and the first year for the girls to play, we feel the girls and their coach should be commended for their fine sportsmanship and their never dying TROJAN spirit.
