IMAGO ANIMI
VULTUS EST.

(THE FACE IS THE
IMAGE OF THE SOUL.)

CICERO DE ORATORE, III, C. 80 B. C.

The faces of A. C. Jones High School project as one. We have tried to trace the memories of yesterday, thoughts of today, and hopes for tomorrow throughout this annual. These faces, more expressive than words, reflect the character of our school: the history of its ideals, the prophecy of achievement. Thus, wanting to express the spirit of our discoveries here, we, the staff of THE TROJAN 1968, have chosen as our theme: "FACES."

Marji Roberts

1968 District 14 AAA Champs

We, the 1967-68 Annual Staff, Salute the Trojan Varsity Basketball Team. The team has won for Jones High a district title, the first since 1954.

After winning the North Zone title, with only one loss to Refugio, the Trojans went on to defeat West Oso to become District Champs.

At the Bi-District play-off game held in San Marcos, the Trojans were eliminated by Seguin, who captured the Regional Championship.

This year's team, under the leadership of Coach Jim Williams, deserves the recognition of the entire student body. Congratulations to the 14 AAA District Champs.

David fights for two.

SCHOOL BOARD

The Board of Education consists of seven members elected by the voters of the Beeville Independent School District. Each member is elected for a term of three years.

The duties of the Board of Education are: (a) to provide for a school and to establish general policies in keeping with the needs of the community and the requirements of the law; (b) to select the Superintendent and to support him in the discharge of his duties; (c) to elect school personnel upon nomination and recommendation of the Superintendent; (d) to set salary schedules; (e) to consider and act upon policies for the school program; (f) to require and evaluate the reports of the Superintendent concerning the progress and financial status of the schools; (g) to consider and adopt an annual budget; (h) to consult with the Superintendent on his recommendations for school; (i) to assist in presenting to the public the needs and progress of the educational system; (j) to provide by the exercise of its legal powers the funds necessary to finance the operation of the school; (k) to perform the specific duties imposed upon the Board by law.

FACE
OF
PLANNING

SUPERINTENDENT

I salute the Annual Staff of 1967-1968 for the many hours of hard work that has gone into your yearbook. I hope that you have a satisfying experience in remembering the activities of the year through your work of producing the record for your classmates. The high school annual has a special meaning for the graduating senior. It helps one to realize that while graduation often separates classmates and friends, the memories of associations formed during high school days live on through the pages of the annual. Underclassmen should take stock of the recognition given accomplishments in academic endeavors, in athletic participation, in the band, choral program and the many other activities of the school. The annual is not just a record of the year it represents. It is a reflection of the ambitions of the lives of the student body it has served.

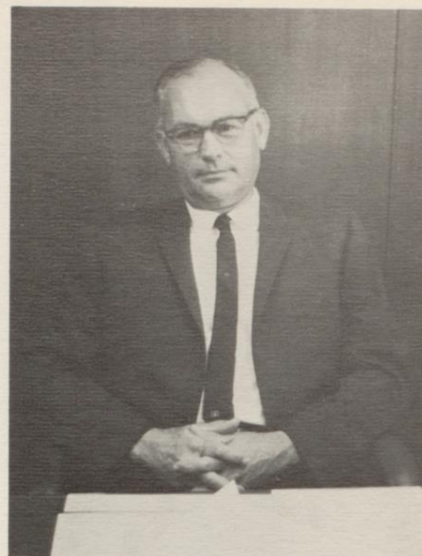

PRINCIPAL

The addition of the new vocational building and the completion of the south wing containing a new speech laboratory, a language laboratory, and a team-teaching area together with our existing programs up through honors and advanced placement classes makes our high school more nearly approximate a truly comprehensive high school. We are now better able to serve the educational needs of our community than ever before.

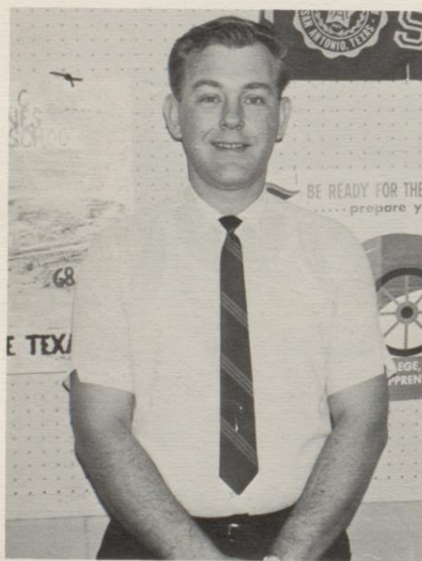

You students are still meeting the challenge of conducting yourselves in a responsible manner, both individually and collectively, so that we are able to continue into the sixth year of operation with our college campus type schedule. You are to be commended for this, and I personally express my deep appreciation to each one of you.

HE

He can turn the tides and calm the angry sea,
He alone decides who writes a symphony.
He lights every star that makes our darkness bright.
He keeps watch all through each long and lonely night.
He still finds the time to hear a child's first prayer.
Saint and sinner call and always find Him there.
Though it makes Him sad to see the way we live,
He'll always say, "I forgive".

Sara takes minutes.

The Trojan, the A. C. Jones High School yearbook, is published in hopes of providing every student with an accurate record of his activities throughout the school year.

To raise money for printing the Annual, the staffers sponsor an Annual Dance at which time school favorites, club beaus and sweethearts, and outstanding seniors are honored. Other fund raising projects are selling programs at all home football games, working the concessions at one home game during the season.

Each staffer has an individual section for which he is responsible. He must complete his section and meet certain deadlines.

The sponsor this year is Mrs. Dorothy Mabe.

POONSRI
PHUKET,

Poonsri receives a farewell gift.

Poonsri is made an honorary citizen

Poonsri Tinpungar, American Field Service Exchange Student, is a native of Puket, Thailand. She is from a family of five, two boys and three girls, of which she is the oldest. Her father is a government Official in Puket.

To become an exchange student, Poonsri took a written test. After passing this test she took an oral test. An application had to be filled out which consisted of character references, life history and her preference to what type of family she would like to live with. She was accepted and arrived in Beeville on August 6th as an upcoming Senior. When she returns on June 22nd she will start college as a freshman. Poonsri lives with Reverend and Mrs. Doyle Morton.

Poonsri is a member of the American Field Service Club, of which she was chosen sweetheart. She was also a member of the Quill & Scroll, "S" Club, Student Council and the National Honor Society. Poonsri is one of the copy editors on the Trojan Newspaper Staff.

The Beeville Trojans lost their opening football game to the heavily favored Alice Coyotes 19-0.

The Coyotes scored in the first quarter after recovering a blocked punt on the Trojan 20 yard line. The extra point conversion failed. Alice scored two more touchdowns and only one extra point for their victory.

This proved to be one of the Trojans' better games because Alice ended their season as the undefeated 14 AAAA champions.

The next score was in the second quarter on a 4 yard run set up by a 46 yard punt run back. The score at the half was 14-0.

The second half started with a boom when Billy Lothringer returned the kickoff 54 yards and Kirk Howlett flattened a 200 pound kicker who had to be carried off the field. Despite this tremendous effort the Trojans could do nothing.

The Trojans threatened the Bobcats in the last quarter by fighting to the 10 yard line, but lost the ball on downs. The Bobcats scored again to win 20-0 and go on to take the district championship.

In the third quarter Refugio rallied to overcome the Trojan lead. As the fourth quarter began, Beeville trailed the Bobcats 36-30. The lead changed hands several times, but the Trojans outscored Refugio to come up with the win.

TROJANS ELIMINATED BY SEGUIN
