"Coming Alive and Moving On" was what we, the students have accomplished this year. From August to May we came alive with the activity of school and weekends with our friends and we moved on when we met the end of the school year. The year that past so fast left us with many valuable memories and a wealth of knowledge not to be forgotten in the years of life that remain.

Secretaries Sandy Hatfield and Pat Swinney

Another blueslip.

"The telephone was our biggest problem," says secretary Pat Swinney. The 1978 school year was one of the busiest years for the secretaries. "Too many kids called in absent this year. There seemed like there were twice as many blue slips given out."

Have you ever tried to sign Mrs. Hatfield's name to a blue slip? In the spirit of student service, we have provided a model signature for your convenience.

## An Evening In Paradise

The 1978 Jr.-Sr. Prom was a great success for the juniors, a great honor to the seniors, and a lot of fun for both.

The theme of "An Evening in Paradise" was the construction of a Hawaiian village in the A.C. Jones gymnasium.

The preparations took two weeks of hard work by the majority of the junior class. Under the guidance of Jimmy Hatfield and the rest of the junior class officers, Rhonda McAulay and Kirk Addison designed and executed the entertainment which was as enjoyable as the dance itself. Beeville's favorite dance band, "Wheatstraw" provided the music.

After four years of doing the impossible, A. C. Jones band director Mr. Jim Williamson resigned. During the four years that he was director the size of the band grew by at least 50%. As the band got larger it became harder to put well over 120 kids in a room designed for 60 and maybe he got tired of feeling like a sardine. But, most likely Mr. Williamson resigned because he was tired of the "messed-up" priorities of the Beeville Independent School District. He was a good director and a great friend and all the members of his band are sad to see him go. Robert Blackmon.

## Premier Singers

The Balladier are a select group of singers chosen from those people who annually audition for the spots open. Once a person has made the group, he or she cannot be removed. The only way a person is removed is through graduation. Each year the number of openings varies but only those who are good enough are selected.

Kay Blanton and Kirk Addison have reached the top of the choral music ladder. Kay has been named to the All-State Choir for the 2nd consecutive year and Kirk has continued his perfect record by being named for the 3rd year.

Freshman Jay Tullos, Senior Kay Blanton, Junior Kirk Addison, Senior June Henderson, and Sophomore Jody Sullivan, were named to the Area choir this is the second highest level that can be attained by a choir student.

## George A. Adkins Award

This year the George A. Adkins award was presented to Andy Hartman, Editor-in-Chief of the TROJAN Newspaper. This award is given to the journalism student exhibiting the best use of his or her writing skills.

Andy also competed in many UIL journalism events and received excellent scores at District and Region and was an alternate to the State

meet in News and Headline writing. Among these competitive ventures Andy along with his inventive staff presented a fantastic Beauty (?) pageant at the G.P. pep rally. The TROJAN Newspaper came out on numerous occasions this year and many thanks should be extended to Andy and the other fine members of the Trojan Newspaper Staff.

This year the Pan American Round Table awards went to Pam Roberts and Irma Gonzales. At the Awards Assembly Mrs. Leslie Spielhagen made the presentations. Pam received a Spanish-Eng-

lish dictionary and Irma received a scholarship to Bee County College. Both students keep high averages and are particularly outstanding in their respective Spanish classes. Pam is a Junior and Irma is a Senior.

## John Philip Sousa Award

June Henderson was the proud recipient of the John Philip Sousa award this year. This award was given to June as a result of an election by the band. June has been in band all of her high school years and is

flute section leader. She had represented the band in District and Region band several times. June is also one of the very talented choir members and has been chosen to the Area Choir this year.

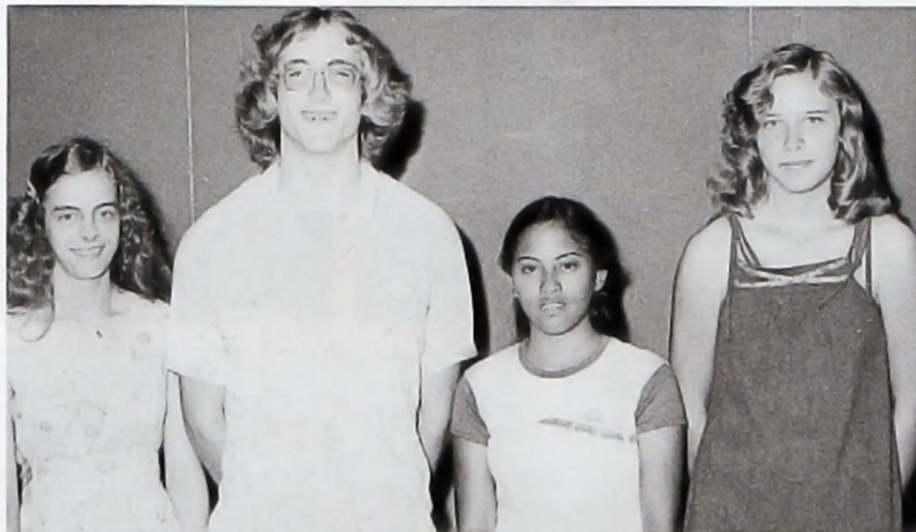

Mr. McAulay in his usual pink way presented to Kay Blanton The National Choral Award. This is the highest award received by any member in A.C. Jones High School. Kay is President of the Concert Choir and a mem-

ber of the Balladiers. Among other things, Kay has represented Jones in the State Choir for the last two years. She is a very outstanding choir member and has always done her best for the school in all her endeavors.

They say three's a charm. This year the Mustangs managed to defeat the Trojans after suffering two losses to Beeville years before. The Mustangs galloped by the Trojans, 28-3.

The Trojans were not to take their set back by King lightly. In the second game of the season, the Trojans rolled by Alice, 13-6. Alice was to become the District 27-4A Champs. While the Trojans prepared for their third non-district game with Port Lavaca.

Again the Trojans suffered a loss to a non-district team as Port Lavaca pummeled the Trojans, 20-7. With the mistakes of this game fresh on their minds, the Trojans worked harder to meet their first District opponents, the Rockport-Fulton Pirates.

The Pirates were no problem as the Trojans plundered Rockport, 11-0. The Trojans were on their way to the face-off with Gregory-Portland.

The season took a twist as the Trojans played the West Oso Bears, Homecoming night. The Trojans held the Bears scoreless the first quarter, but with 53 seconds left in the game, the score stood 22-14, West Oso. But 53 seconds was long enough for the Trojans to second eight points, the game ending in a 22-22 tie. The West Oso Bears went on to become the scored place team in 15-3A.

It didn't rain this year. After the torrent of rain which caused the Beeville-Sinton game to be played two consecutive afternoons last year, the Trojans were hoping for clear skies for the trip to Sinton. The weather remained clear as the Trojans sunk the Pirates, 20-6.

Revenge prevailed in the air as the Trojans played the Tuloso-Midway Warriors. 13-12 win over the Trojans last year faced the coin toss which flipped Beeville out of the chance to advance to the regional play-offs. The Trojans slipped past T-M, 13-7 and only three remained in the season.

The Trojans buzzed by the Flour-Bluff Hornets. At last the Trojans were down to the two toughest games of the season. The Calallen and G-P teams both lay ahead.

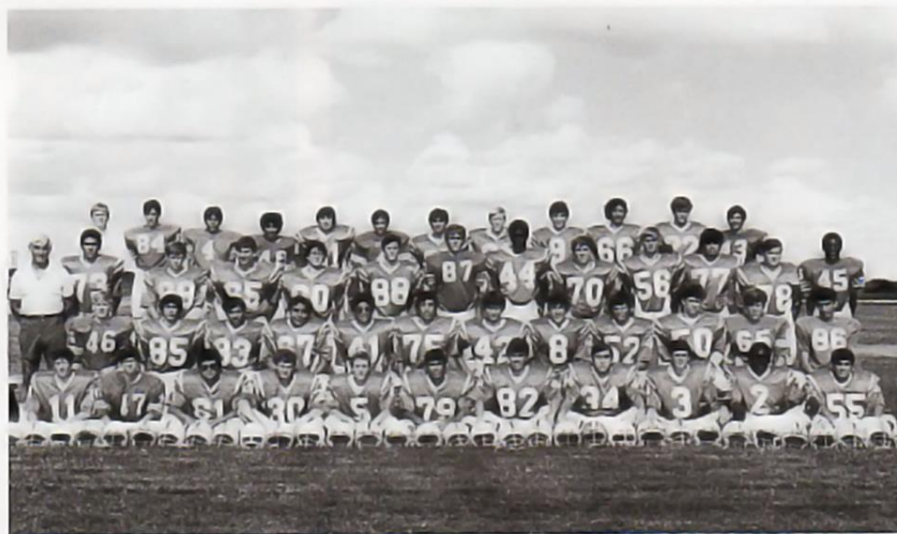

Another tie. The Trojans and the Calallen Wildcats fought to a mutual score of 7-7. If Beeville could beat G-P again, the Trojans could be the sole possessors of the district championship berth.

Six seemed to be the magic number. Beeville defeated G-P, 6-0, in 1976. Unfortunately, the Wildcats turned the tables against Beeville and won 47-6. Gregory-Portland was clearly the 1977 District 15-3A champion. There was to be no coin flip this year.

When Coach Strickland came to Beeville two years ago, she brought along the dedication and organizational abilities that it takes to start a new sports program. Beeville had never fielded a girl's basketball team, and Coach Strickland faced the task

of teaching, training and instilling the competitive spirit in her group of young women. After announcing the advent of the girl's athletic program, participants were encouraged to apply for the program, attend workouts and scrimmages. After a

series of eliminations, the girls with the most potential for half-court basketball were selected for the team. The 1979 team will be complying with a 1978 Interscholastic League rule change by playing 5-woman full-court basketball.

The J.V. team seems to always hang in there.

Being a Freshman isn't easy—they are always at the bottom of the totem pole. We were all Freshman once and it seems we easily forget the hours spent trying to conform to the social and ethical standards of our friends and elders. Every Freshman has goals for his school years and hope that these goals will be enough to gain the respect of his peers and himself. Many of the goals have been accomplished but many remain to see the light of day. Basketball can be hard on the goals of Freshmen. It is a very demanding sport and total dedication is required to make the team work. Being a Freshman and a member of the Freshman basketball teams makes life tough but the few men and women who stick it out deserve the respect and admiration of everyone in the school. So, the next time you laugh at a Freshman or Freshman team . . . remember your Freshman year and see how funny it really is.

## Just Roping Around

The Circle "B:" Rodeo Club is organized to provide competition for the students interested in the #1 American sport.

The club is sponsored by Mr. Belew and Mrs. Adams. Members compete in many of the different types of rodeo events and gain much practical experience in roping.

When the club first started there were very few female members. However, in the past couple of years there has been an overwhelming increase in the number of girls who have joined this once all male sport.

*Skate-

Is

Last year skateboarding hit Beeville as hard as Ali hit Spinks.

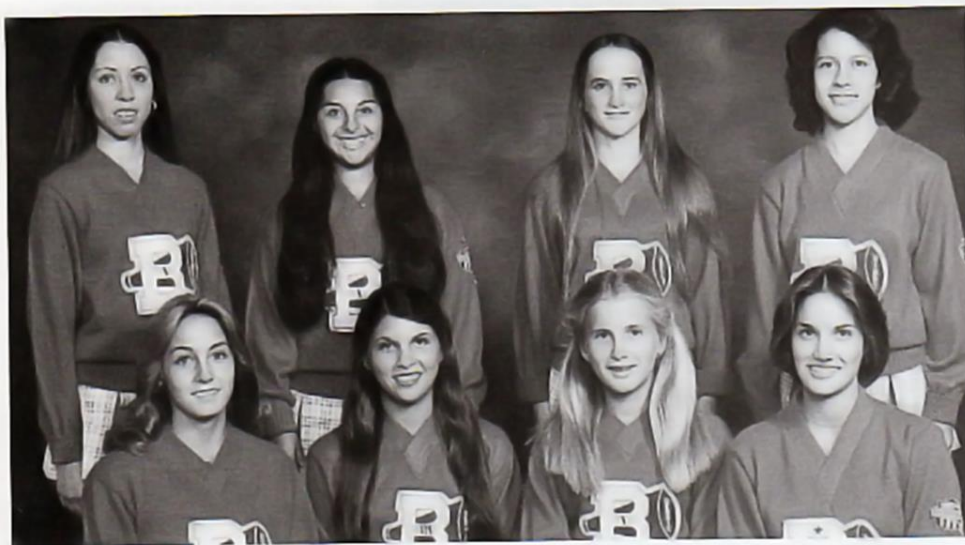

Skateboards are no longer the discarded plywood mounted on wheels from your sisters old size 11's. Rather, today the boards are made of fiberglass, aluminum, and plexiglass and many other materials which can be found at the average NASA plant. This matter is now found resting on chrome, carbide and plyeurethane. Precision bearings from Germany, and Sweden propel boarders at previously unheard speeds. Names such as G&S, Santa Cruz, Tracker, Astral, Kryptonics, Logan, Megatron, Powerflex, Sims, Jupiter, and Xcaliber, rule todays market through their mass marketing of quality prestigious, and inventive products. All of which are based on the simple idea of the skateboard.

In 1976 it was okay to have one \$40.00 board. Today, to keep pace with those at the top of the earth-surfing world one must own at least two boards and an array of paraphernalia, costing upwards of \$150.00.

Skateboarding has made a decisive change over the past 15 years and is now a viable sport for the young and the young-at-heart.

# Varsity Cheerleader Squad

Head Cheerleader—Anita Braly

Seniors—Kelly O'Brien  
Bernadine Munoz

Juniors—Rosie San Miguel  
Shirley Perez  
Debbie Reynolds

Sophomores—  
Debbie Finke  
Cindy Lyvers

This year Anita Braly was elected Head Cheerleader of the Varsity Squad. Under this leadership, the group achieved much success. Being one of the top rated squads at the A & I camp, the girls were nominated to the "All Star" squad.

The squad consisted of two Sophomores, Cindy Lyvers and Debbie Finke; three Juniors, Rosie San Miguel, Debbie Reynolds and Shirley Perez and two Seniors, Kelly O'Brien and Bernadine Munoz. Among other things the Varsity cheerleaders served tea twice a week to the football teams, attended Athletic Boosters meetings and decorated the Football players rooms for them during Homecoming week.

The job of a cheerleader never ends!

## Freshman Cheerleader Squad

Head Cheerleader—  
Kay Antoine

Elsa Dominguez

Yvone Dunn

G. G. Gonzales

Terri Fish

Under the leadership of Kay Antoine, the Freshman squad consisted of G. G. Gonzales, Yvone Dunn, Elsa Dominguez, and Terri Fish. Their job was to cheer at all Freshman football games and help the Varsity Squad at the Varsity Football games. The Freshmen also took turns cheering at J.V. events.

Posters were made and ribbons sold by these energetic girls and an all-round excellent job of spirit-raising was accomplished by them.

## 1977-78 Pep Squad

Standing: Orange Capt.—Linda Ousley, Lisa Robinson, Judie Sims, Sandra Pena, Eumelia Ruiz, Gloria Loya, Lolly Garcia, Sharon Wingenter, Lisa Doubrava, Kim Lamar, Rita Rodriguez, Gracie Hyturrria, Diane Burge, Nelda Rodriguez, Gracie Garza, Diddy Hernandez, Dawn Vallis, Oralia Valdez, Kim Sanborne, Jean Antoine, White Capt.—Charlotte Bess. Kneeling: Zelda Villegas, Dorothy Oivares, Debbie Little, Cathy Zertuche, Patricia Wimberly, Sherrl DeBardi, Lupita Martinez, Teresa DeHoyos, Oralla Barrera, Lydia Limonez, Mary Chapa, Debbie Wilkinson, Kathy Hall, Celinda Garcia, Bonnie DeLosSantos.

The pep squad is a group of girls who assist the cheerleaders in promoting school spirit. They travel to all the Football games and cheer in an outstanding way. Besides these, other assundered duties of the pep squad are to sell spirit tags, cheer at basketball games and other sporting events. The White Captain for 1978 was Charlotte Bess and the Orange Captain was Linda Ousley. The girls were always on hand for their assignments and did an excellent job for the school.

(Left) Charlotte Bess and (not pictured) Linda Ousley received awards for Orange Jacket Captains at the Awards Assembly. These awards were awarded by Mrs. Curbo & Mrs. Bostwick.

This year the Cheerleaders of A.C. Jones did more to promote Trojan Spirit than any other squads in the history of the school. Under the leadership of Anita Braly and Kay Antoine both groups of girls did more than their share of work to see that spirit was kept high at all times. The cheerleaders year began in early June when the girls began preparation for the first football game. Camp in July proved very rewarding for the Varsity Squad when they were awarded the spirit stick and were one of four squads nominated for "All Star" squad. When it came time for the first football game the cheerleaders were ready. They had spent a lot of time on the poster and ribbons that were open displays of the Trojan spirit they promoted. It was up to the cheerleaders to plan all ten "pep rallies" and all ten came off with great success. After football season had ended the cheerleaders work continued as they made posters for all the teams and helped at Golf and Tennis tournaments, Track meets, baseball games, basketball games and any other event that dealt with sport. The Cheerleaders of A.C. Jones were great this year and should be commended for their fine job.
