## The Trojan

Volume 80

Student Life

### TROJAN ALMA MATER

We pledge our honor to the Orange and White.

We will be loyal through the day and night.

And even when we are losing we are winning too.

With our high spirit and hearts so true.

### TROJAN FIGHT SONG

Let's give a cheer for the Trojans

Cheer them along their way

Onward to victory

May we win again today

So give a cheer for the Trojans

Long may they reign supreme

Shout! Till the echoes ring

For the glory of our team.

**Yea Orange! Yea White! Yea Trojans!**

Through these four years I have no regrets, because everything that I have done wrong is just a lesson learned. Everyone that I have met is just another person that has given me something to not forget. My family and friends have always been the world to me, I love them with all my heart. Soccer will always be my sport and this season was the best. I miss the Friday night football games with my friends. I miss all the great times I've had hanging out with everyone and just having fun. Laughing so hard that we started to cry and smiling so much that it made our cheeks hurt. I'll miss seeing everyone once we go our separate ways, but this isn't goodbye it's just I'll see you later.

The future is a dangerous thing  
If you don't think about it too much you will find that it has  
become the present.  
So don't think, just live.  
And when you look back on your life, things may have changed.  
Don't be sad.  
Even though some friends may be lost, the time you spent with  
them will never be.  
Even though your pictures will fade your memories will last  
forever.  
Even though you grow old always be young at heart.  
Even though your life will come to an end have no regrets.  
Because life moves fast, and sometimes it doesn't wait for you  
to catch up.  
So start running, because the rest of your life begins now,

Then we will no longer be infants, tossed back and forth by the waves, and blown here and there by every wind of teaching and by the cunning and craftiness of people in their deceitful scheming. Instead, speaking the truth in love, we will in all things grow up in him who is the head, that is, Christ.

Ephesians 4:14

I want to first of all thank God cause without him I wouldn't have been able to make it this far. Also I want to thank my friends and family, especially my sister Amanda Sue for all the support. But I want to thank someone who has been there for me since day one of high school and that's Coach Resio! Thank you so much for pushing me and helping me achieve my dreams and goals in life!  
Love ya'll so much, Ashley Galle

"I got ice in my veins, blood in my eyes  
Hate in my heart, love in my mind  
I seen nights full of pain, days of the same  
You keep the sunshine, save me the rain

"Live Life to the fullest" I just want everyone to remember that all things are possible if you just believe in yourself and have faith you will achieve anything. I want to thank God for bringing me into the world and teaching me that everything is possible through him. And I want to tell everyone that they will be deeply missed and I love you all. And to Mr. Jones it was an honor to have you as my teacher! LOVE YOU!

I've found strength in the struggle  
face to face with your troubles when  
your broken in a million little pieces  
and your trying but you can't hold  
on anymore every tear falls down  
for a reason don't you stop  
believing in yourself.

I have been blessed and I feel like I  
found my way I thank God for all  
I've been given at the end of  
everyday. I have been blessed with  
so much more than I deserve to be  
here with the ones that love me and  
to love them so much it hurts.

I don't think I could have had a better 4 years of high school including my senior year thanks to... but anyways when it came down to my last year and I looked back, and I started to realize things, I realized that all of this goes by too fast. So please, make it count, don't sit around and do nothing. Get up, get out and do something. Become someone. OK leave me alone. I'm done. I'm going back to sleep. Wake me up when the bell rings.

Wow to think it's finally here... Graduation. Though it was a very long and difficult year, it seems like everything finally coming to an end, though I don't really want it to since it means leaving a lot of my friends here but unfortunately that's just how things have to happen... I guess...

I'm really going to miss being able to see all of you guys on a daily basis though. Especially those of you that have made a huge difference in my life, for instance those I picked on (though it was never serious), laughed with, loved, or just have been there when I needed someone to talk to...

I don't think I really have too many regrets in school, seeing how I met a majority of my friends in band... which of course had advantages to it like, having the same interests and being able to see them pretty regularly. I also met my best friends there, whom I'll never forget, and hope to be able to stay in touch with for as long as I can though, I know forever isn't very likely... but even so I don't care... Thanks everyone for the best years of my life.

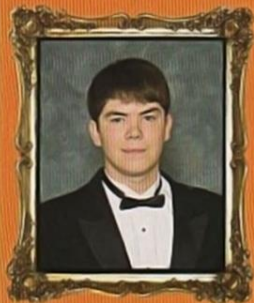

After upon looking back at this and reading it from someone else's perspective, it's rather long... oh well I see it as quite fitting of my final words to everyone here at A.C. Jones High School. | Danny Trevino

*In Loving Memory  
Of*

*Reagan Glen Hardy*

He was quiet and shy  
But was quite the guy  
His smile was bright;  
It shone brightly on that dark night.

Though we grieve and mourn  
Because we can't see him anymore  
We can't see his smile and we can't see his face  
We all know he's in a better place.

Though our next few days appear dim,  
Believe that God gets another angel in him.  
He watches over us in his own special way  
And makes us strong enough to face the day

Pray for those left behind in the wake of pain  
But know that we will all meet again.  
We face hardships but we will be strong  
Because we know, that's what he wanted all along  
-Korrie Rader

**The Clock Of Life**

The clock of life is wound but once, and no one  
has the power  
To tell when it's hand will stop, at late or early  
hour.  
Now is the only time you have, live, love, toil  
within God's will  
Put not your hope in tomorrow- Life's clock may  
then be stilled

Death is a mystery - Many things we do not  
understand.  
We do know that God is real, he holds the world  
in his hands  
And his will must be done. We thank God for  
sharing Mariano with us  
Precious Memories, how they linger-  
"You shall be with us forever."
